"University Experience" Was Huge Success

Women enjoyed an evening with Prof. Blu Greenberg and a day at UNCC, with lectures by Professors Josephson, Lyons and Khatzky. A lunch was served.

"The Way We Were"

I have been asked to head up a committee to collect pictures, clothing, articles of furniture, business equipment - in fact, anything that any of our Jewish citizens have pertain-

ing to the life style of our people in years gone by in Charlotte and elsewhere. If you have anything you think would be suitable for this exhibition, please call me or drop

me a line.
