A CANDID WITNESS.—A person who was recently called in Court, for the purpose of proving the correctness of a doctor's bill, was asked by the lawyer whether the doctor did not make several visits after the patient was *out of danger?* "No," replied the witness. "I considered the patient in *danger* as long as the doctor continued his visits."

MARRING NEWSPAPERS.—The Postmaster General has decided that a pen mark over or opposite to an article in a newspaper, with the sole object of calling attention to the article, will not subject the paper to letter postage.

Great American Meeting at Holly Springs Miss.—The Memphis papers contain accounts of this gathering, and estimate the number present at 10,000. Hon. Wm. C. Dawson of Georgia, Hon. B. D. Nabers, of Mississippi, and several other eminent speakers, addressed the meeting, which was enthusiastic in feeling as it was large in numbers.

Sugar Crop in Louisiana.—Letters from the interior of Louisiana report that considerable damage to the sugar cane has been caused by recent frost. Planters say the present warm weather prevents the juice from granulating, and should it continue, the receipts will be greatly delayed.

One of the Boston Hotels has added to its other attractions a library of 500 volumes.

☞ "It's all around my hat," as the hypocrite said when he put on mourning for his wife.

A Good Comparison.

☞ The Rev. William Roslatt, a well known Methodist clergyman, residing at Naples, draws the following amusing but apt comparison between Dr. M'Lane's celebrated Vermifuge and a ferret:

"A ferret, when placed at the entrance of a rat hole, enters the aperture, travels along the passage, seizes upon the rat, exterminates his existence, and draws the animal's defunct carcass to the light. And in like manner have I found *Dr. M'Lane's American Vermifuge* to operate upon **worms**, those dreadful and dangerous tormentors of children. This remedy, like the ferret, enters the aperture of the mouth travels down the gullet, hunts round the stomache, lays hold of the worms, shakes the life out of the reptiles. This, at least has been the effect of the Vermifuge upon my children."

A note to one of Mr. Roslatt, Mr. John Briggs adops the simile of the reverend certifier, thus forcibly giving their most unprejudiced testimony of this great specific, after having witnessed its operation upon their own children. Let others try it, and be satisfied.

☞ Purchasers will be careful to ask for **Dr M'Lanes Celebrated Vermifuge** and take none else. All other Vermifuge, in comparison, are worthless. Dr. M'Lane's Vermifuge, also his Celebrated Liver Pills, can now be had at all respectable Drug Stores in the United States and Canada. 25
