Fishing Rodeo Starts Monday

Wilmington, Sept. 9. — Reels, rods, lines, lures and other angling accessories were the hotest-selling items today as fisherman prepared to take a cast at the $15,000 pot in the second annual Fall Fishing Rodeo which starts Monday, Sept. 15. Sporting goods dealers said the run on their stock is not confined to local anglers, out-of-towners are also among the many buyers getting gear and tackle ready for the "World Series" fishing contest.

Inquiries indicate that some 50,000 fishermen and fisherwomen throughout the nation will compete. To accomodate them during the Rodeo's 47 days of competition, hotels, apartments and housing facilities in the area will remain open through October 31.

Meanwhile, directorsof the Southeastern North Carolina Beach Association, Rodeo sponsor, announced that $575 has been set aside for special prizes not listed on the original schedule of awards. The amount includes $200 for the man, woman or child who breaks the New Hanover Fishing Club's channel bass record of 54 pounds; another $200 for smashing the club's bluefish mark of 10 pounds, four ounces; and awards of $100, $50 and $25 for the three best Class D fish caught during the Rodeo.

These prizes, plus the $5,000 grand Class A deepsea award, the $1,000 Class B surf and sound award, the $1,000 Class C. pier award and other cash premiums, upped the Rodeo's cash total to $10,045. Another $5,000 will be given away in merchandise.

Faison Yeoman Returns Aboard The Palau

George M. Massey, chief yeoman USN, husband of Mrs. G. M. Massey of Route 1, Faison, has returned to the United State aboard the escort carrier USS PALAU after completing a special trip to Monrovia, capital city of the Republic of Liberia in Western Africa.

Hi Grads Mey Select School In Army

High school graduates may select a specialized training school prior to entering the Regular Army and be assured of attending that school under the provisions of a new directive from the War Department, said M|Sgt. Motin J. Hite, Jr. Commanding Officer of the Goldsboro Recruiting Station.

The sergeant said, however, that the new provision does not mean that only high school graduates will be assigned to Army schools but also non-graduates may enlist and have a chance of qualifying for a school through courses taken through the United States Armed Forces Institute and by practical experience.

All young men are urged to see their Recruiting Oficer and get full information on the advantages of the New Regular Army or Air Forces.

Mrs. Kate Lanier Dies At Chinquapin

Funeral services for Mrs. Kate Lanier, 63, wife of C. R. Lanier, were held at the home Tuesday afternoon, conducted by the Rev. R. C. Kennedy of Beulaville. Burial was in the family cemetery. Mrs. Lanier died Monday after a short illness. She was a lifelong member of Lanier's Chapel Free Will Baptist Church. Surviving are her husband; six sons, Ralph, Ray, Tom, John S., and Andrew Lanier of near Chinquapin, and Paul Lanier of Beulaville, RFD; two daughters, Mrs. B. L. Brown of Chinquapin and Mrs. Garland F. Nicholson of Richlands; and 16 grandchildren and one great-grandchild.

Duplin Employers Increase Under E. S. Law

Virtually all of North Carolina's 100 counties shared in the increase from 1945 to 1946 in number of employers covered by the Employment Security Law, numbers of workers protected by the law, average weekly wage and total wages which went above a billion dollars in 1946 for the first time in the State's history.

Duplin County had 48 employers subject to the law in 1945 which increased to 62 in 1946.

This county, in 1945 had 977 workers protected by the law, a number which had increased in 1946 to 1,202 workers. Total wages paid to covered workers in 1945 was $1,188.750 as compared with $1,642,173 in 1946.

The county's average weekly wage of $23.40 in 1945 had moved to $26.27 in 1946.

Duplin County employers paid to the Employment Security Commission contributions on their pay rolls at the rate of 1.93 percent, as compared with the State-wide rate of 1.45 percent.

38 Dolphin Caught By One Person Off Coast Morehead

Morehead City, Sept. 9. — Dr. Lacy Andrew, Winston-Salem physician vacationing here decided to try his luck fishing off Cape Lookout. He left the piers about noon and cruised for about 40 miles offshore, returning at 7 o'clock in the evenong. With rod and reel he had landed, during a two hour fishing period, a total of 38 dolphin. That was considered a good catch for one person and some said it was a record.

Anounnce Birth

To Mr. and Mrs. William A. Oden a son, William Augustus, September 6, Tayloe Hospital, Washington, N. C. Mrs. Oden is the former Miss Sarah Sykes of Kenansville.

How women and girls may get wanted relief from functional periodic pain

Clinical, many women say, has brought relief from the cramp-like distress and nervous strain of functional periodic pain. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 3 days before "your time" it should help relieve pain due to purely functional periodic cause. Try it

BEER—*The Beverage of Moderation*

Let's Take A Look *at the* Brewers Foundation

Question: What is the chief function of the North Carolina Committee of the Foundation?

Answer: To see to it that beer and ale are retailed under conditions in keeping with the strict demands of public opinion and the high standards of the brewing industry itself.

Question: How are the Committee's aims accomplished?

Answer: Field men visit beer outlets regularly. If undesirable conditions are found, dealers are advised. Most dealers want to cooperate and welcome suggested improvements.

Question: Suppose these suggestions are not carried out?

Answer: The retailer is reported to the licensing authority having jurisdiction, with a request that his license be revoked or suspended.

If you drink beer, please patronize only reputable places.

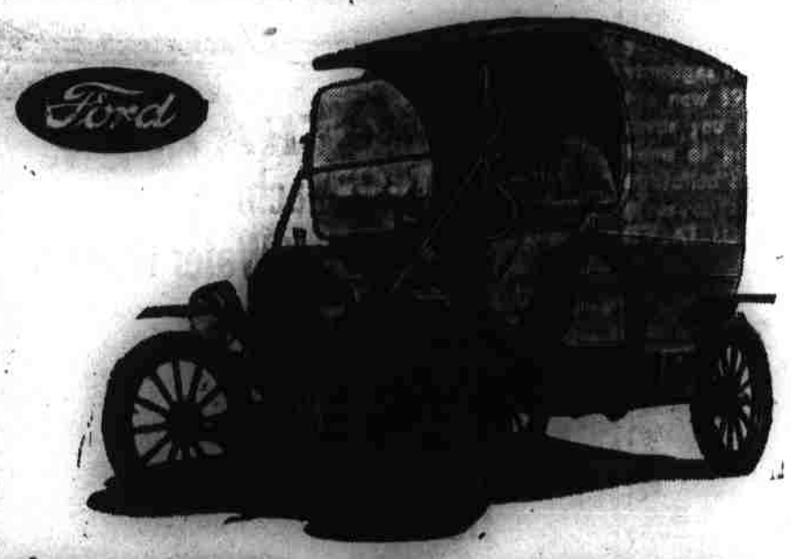
FORD TRUCKS LAST LONGER!



1912 FORD still going strong!

"I was this 1912 Model T Truck in my used car business, and it still rolls along at 35 mph. After it was idle for several years, I filled it with gas and oil, cranked it up, and it started at once! Two original spark plugs, dated 1905, still perform! The original horn and the lights still work fine. After 35 years, the rear door doesn't even rattle! You bet Ford Trucks last longer!"

PAT GANS, Paramus, N. J.

Used Every Day Since 1918!

"Since 1918, I've driven this truck about 25 miles, 6 days a week . . . on Sundays I often drive it 70 miles. I've grown very much attached to my truck. I don't think I will ever part with it!"

LORENZO BABATINI, New Orleans, La.

29 Years of Reliable Service!

"I've been using this 1917 Ford Truck since I was 23 . . . I'm 43 now. The engine has been replaced only once . . . most of the original equipment is still in use! I'll say Ford Trucks last longer!"

JESSE TURNER, Kokomo, Indiana

MORE FORD TRUCKS IN USE TODAY THAN ANY OTHER MAKE!
