## VFW Stand Upon $20 Vet Payments Further Outlined

Resolution passed by Hill Cooper Post of the Veterans of Foreign Wars against the payment of the $20 per week unemployment allowance for returned veterans was given only to be against payment of that allowance to veterans who get jobs and will not, members of that organization explained today.

The group felt that a number of veterans have not tried to obtain jobs and are drawing the readjustment allowance, and went on record as opposing such payment at their meeting Tuesday evening.

No opposition was made against payment of the allowance to veterans who have applied for work and have been unable to get it.

A committee composed of Brooks Wyche and Joe Lee was appointed to investigate and report on the condition in Vance county.

### BULLETIN ON FAMILY.

College Station, Raleigh, April 11—A new bulletin called "Growing Up is Fun" was released yesterday by the State College Extension Service. The eight-page pamphlet, intended to stimulate amicable relations within the family on the thesis that charity and good will begin at home, was prepared by Mrs. Virginia Sloan Swain, Extension specialist in family relations, and W. N. Hicks, head of the Department of Ethics and Religion at State College. It is the forerunner of a subsequent publication on the subject of courtship and marriage, now in preparation by college specialists.

State farmers are being urged to provide sufficient open-ground space for pine trees to re-seed themselves if the Tar Heel timber supply is to be maintained.

"JES' HOL' IT NATCHEL, SONNY"

## "DISCOVERING" UNCLE NATCHEL

One day back in 1934, an artist, driving leisurely along a country road in the deep South, heard the sound of banjo music floating toward him through the trees. He left his car and followed the sad-sweet strains until he found a clearing in the forest where, on a little cabin porch, sat an old darky, a red-headed boy of twelve, and a dog—in the middle of a music lesson! All unseen, the artist set up his easel and soon, upon the canvas, appeared the boy, all thumbs, his face screwed up in earnest effort, manfully struggling with the stringed instrument; the dog looking on in painful apprehension; the old man patiently urging: "Jes' hol' it natchel, Sonny—thataway, natchel!"

This beautiful painting by Hy Hintermeister was featured on the 1935 Uncle Natchel calendar, and introduced to a million people the familiar figure of "Uncle Natchel", the kindly old man who has appeared ever since as the symbol of Natural Chilean Nitrate of Soda.

Uncle Natchel is really a rare and lovable character. Grown old in the employ of Sonny's family, he is known to everyone for miles around for his inexhaustible supply of stories about the wonders of Nature and his belief that the best way to do anything is the "Natchel" way. And that, of course, is how he got his name.
