Getting Acquainted With Little League Baseball - Big Picnic Planned

LITTLE LEAGUE PLAY GETS UNDERWAY IN WARSAW, WEDNESDAY MAY 23, AT TWO O'CLOCK. LITTLE LEAGUE SEASON ALREADY UNDERWAY IN KENANSVILLE.

If you would like to really see your son at his proudest moment, all dolled out in a real baseball uniform and beaming from ear to ear, come to Warsaw Little League Field May 23, at two o'clock. There will be two games — one (Lions) at two o'clock and another (Jaycees vs Rotary at four.

All parents and other interested persons, officials, and other members of the family will be asked to bring a picnic basket and tea. After the four o'clock game a real picnic will be held on the Little League Field.

Little League is one of the most dynamic youth movements of our time. It is also a means of realizing happiness in local communities through families enjoying the pleasures of working andplaying together. The purpose for which it was formed is . . . " to promote in all lawful ways the interest of boys who will participate in "Little League" Baseball and to help and voluntarily assist them in developing qualities of citizenship, sportsmanship and manhood.

Parents should accept the fact that they must shoulder responsibility and take initiative to make the local program successful. Little League is not a club in which membership implies babysitting benefits and entertainment privileges. A good example of what a parent can do . . . if the initiative to help will permit, is . . . Amos Brinson of Kenansville. Good ole Amos has been working for years in the Kenansville section with all boys during the vacation time.

The Kenansville Little League has tentatively set up schedule with Wallace - Any other teams that would like to play Kenansville Little League - Please contact Mr. Brinson.

Amos, as we all call him, has gone to the expense and time to fix a baseball field and rounding up boys from all over town and at the present time has two full teams that hussle over to Brinson's Field every Tuesday and Thursday afternoons. One afternoon some years ago I was out on the Little League field with Amos watching about five or six young Kenansville Little Leaguers practicing, and he stated then, "that one of these days I am going to have two teams out here working and playing each other." Today if you happen to be near Brinson Little League Field you will see some thirty-five young leaguers having the time of their life playing their heart out . . . do you really know your son when it comes to fair play, leadership, teamwork and sportsmanship.

At the present time Amos has two teams, the Tigers, coached by Dennis Wayne Bostic, an ex-little leaguer, and Woody Brinson of the Yankees, another former little leaguer. The Yankees have the following boys from the ages of nine to twelve: Herman Jones, Doug Lewis, David Phillips, Larry Sanderson, Shaw Lewis, Clark Helton, Bobby "Boo-Cat" Hasty, Mike Brown, Paul Phillips, Gene Brown, Terry Williams, Jimmy Outlaw, Mike Hasty, Doc Brinson, Edward Quinn, Jerry Reynolds and Wayne Mathis. On the Tiger team you will find Keith Sasser, Harley Jones, Eddie Fields, Jimmy Dunn, Earl Hardy, Billy Craft, Ronald Houston, McRae Sharpe, Jimmy Kornegay, Jimmy Stroud, Jackie Nethercutt, Jimmy Hines, Ronnie Bostic, Steve Summerlin, Gerald Summerlin, Furney Jones and George Evans.

I know Amos and your sons will appreciate it if you can find the time to come out and watch . . . us play. I just had to take this opportunity and show you how much a "one-man effort" has brought about happiness for so many young boys. If that be the case what could an organized group do for a Little League here in Warsaw. Practically speaking, Little League is an adult, volunteer work project, constructed, supervised and assisted by parents who desire to make its benefits extend to their children.

In the Warsaw Little League this year more than 65 young boys from the ages of nine to twelve will have a real good chance to show his leadership, fair play, teamwork and sportsmanship. There will be 16 regular season games over the course of the season.

There will be no games during Scout Camp Week which comes next month (all way the baseball season. This year Ray David will be Director of Chief. All games will be played on Wednesday and Saturday afternoon. Two games will be played each day indicated. The first game getting underway at two o'clock and the second at four.

The very poplar Ted Wilson will again manage the champions of the past four seasons . . . Rotary. Manager Wilson will depend on the Following boys: Tom Hunter, Lea Wilson, George Lloyd, Rex Lanier, Rocky Blanchard, Ronald Beasley, Rex Carlton, Dennis Beasley, Jerry Coombs, Edwin Blanchard, Charles Costin, Cris Martin, and Linsey Clark. Manager Del Parkerson of the Lions will start the season with Robert Blackburn, Tommy Benton, Bob Barwick, Hunt Taylor, Pat Mathis, Dauna Millard, Danny Best, Carl Whaley, Steve Brock, Woodrow Scott, David Sloan, Steve Best, Steve Thomas, Bill Britt, George Pate, and Robert Ezzell.

Managers Paul Mull of the Jaycees may depend on Johnny Sheffield, Steve Jones, Steve Sheffield, David Sheffield, Ray Hope, Bob Best, Dan Best, Tim Brinson, Steve James, Robert Wray, Robert Garner, George Garner, Ashley Powell, Harry Phillips, Stuart Mallard, Roy Warren, Allen Bruton, and Tommy Blackburn.

Manager Bill Washburn, a new manager and fine coach, will open the season with the following leaguers: Denis Kirby, Steve Sutton, Dean Lane, Steve Grady, Chris Johnson, Barry Washburn, Bruce Washburn, Bobby Lane, Tony Dale, Gerald Price, Donny Johnson, Terry Lewis, Ken Savage, Bennie Wilson, John Godbold, and Johnny Johnson.

When we deal with youth, we are pondering the future. Little League installs a positive team spirit and teaches discipline. It speaks a universal language to youngsters and to all who are young at heart.
