DUDLEY'S

ANTI-RHEUMATIC OIL.

A certain and speedy Cure for Chronic Rheumatism Spasms of the Muscles Ligaments, and Bath, and Sprains, Bruises and Contusions.

THE history of this invaluable medicine is remarkable. It has risen into notice, and established a high and just reputation in the region of country where it has been tried, *alone* from the surprising and numerous cures it has effected. The Proprietor, Dr. Samuel Dudley, Hospital Surgeon on the Island of Portsmouth, North Carolina, has used it with unfailing success, both in the Hospital and in his private practice about twenty years.—During that period it has been attracting public attention, and gradually rising, into general and high reputation in all that region of country solely, by the surprising certainty of the cures it has uniformly effected. Until very recently, it has never been advertised, nor have any pains been taken to extend its celebrity. Its high reputation therefore is permanent, because it is based upon surprising and *unfailing* experiments alone. The Proprietor encouraged by its eminent success in cases of Chronic Rheumatism, and by the advice of his friends, and he will add actuated by a desire to extend as far as possible the benefits of its healing properties, is now taking measures to make its wonderful properties more generally known. All he asks is a fair trial. It is now offered to the afflicted in the Eastern portion of North Carolina. The proprietor is perfectly willing to put the result of its success or failure upon its success or failure in curing or failure to cure any case of Chronic Rheumatism, or other affection for which it is recommended.

Certificates from highly respectable sources like the following, can be multiplied to almost any extent. A few are appended.

The following has been politely furnished by the highly esteemed citizen, Col. Joshua Taylor of Beaufort county, N. C. well known as a valuable member of our State Senate, and late present Collector of the Port of Ocracoke North Carolina:—

"At the request of Dr Samuel Dudley of Portsmouth, North Carolina, I state that some years ago one of my sons had a severe and protracted attack of Rheumatism, and by using his "Anti-Rheumatic Oil" he was relieved

It gives me great pleasure also to say, that besides his case, I have heard of others which convince me that this oil is very valuable in cases of Rheumatism.

JOSHUA TAYLOE.

Washington, N C., June 28, 1848.

The High Sheriff of the County of Carteret has placed the following at the proprietors disposal:—

"This may certify, that I have been for many years afflicted with Rheumatism, and recently had an attack in the neck, and by the application of "Dudley's Anti-Rheumatic Oil," only three times, was in a few hours perfectly relieved.

GEORGE DILL.

Beaufort, N. C. Sept. 1848.

The following letter is from a respectable Druggist, I. Disosway, of Newbern, North Carolina.

Dr. S. Dudley.

Dear Sir.—I have sold out almost all of the Anti-Rheumatic Oil sent me, and as I do not wish to get out of it, I should be glad if you would send me another supply. I can speak in the most decided terms in reference to the merits of the Oil—I have never known it to fail. It has been used by one of my clerks with the best results.

I know of a person who has been unable to move a foot without assistance who was cured in less than three days, and with using one bottle only.—I can recommend it with confidence, and shall lose no opportunity of so doing.

Yours, &c
