CATCH THE MURDERER—$100 REWARD.

MR. PENNINGTON:—*Dear Sir*:—The citizens of Swift Creek were startled on the 8th instant by the announcement that John Chapman, a respectable citizen of the County, had been murdered by a band of runaway negroes, headed by a negro man calling himself Ben Soon, the property of William Grimes, of Pitt County.

Ben Soon is supposed to be the negro that shot and killed Mr. Chapman. This band of runaway negroes with Ben at their head is the terror of that region of country, and the citizens of the County, with a commendable spirit, have raised a subscription of $100 for the apprehension of the said Ben, commonly known as Ben Soon. The subscription is in the hands of F. P. Latham, Esq., of Craven Co.

The deceased was a young man of irreproachable character and universally esteemed by his neighbors. His loss will be severely felt by the community in which he lived. SWIFT CREEK

FORNEY'S

"War Press."

THE intense interest everywhere felt in the mighty contest in which the Armies and Fleets of the Nation are engaged,

ON THE POTOMAC,
IN WESTERN VIRGINIA,
IN KENTUCKY,
IN MISSOURI,
ON THE SEA COAST

and elsewhere, and the existing demand for a Weekly Journal that will furnish a full and accurate account of the thrilling events of this exciting and ever memorable period, accessible alike to Soldiers in Camp, to Peaceful Firesides, to those who wish to obtain the latest War news, and to those who desire to preserve in a convenient form, for future reference, *a correct History of the Great Rebellion*, has induced me to commence the publication of a

Great War Paper,

in lieu of the present issue of the *Weekly Press*, to be called

"Forney's War Press."

It will be printed in a super royal style on large quarto sheet of eight pages, and each number will present the following attractive features, viz:

A BEAUTIFUL ENGRAVING,

illustrating an event of the War, or a MAP of some locality where important operations are in contemplation

A RECORD OF THE LATEST WAR NEWS

from all parts of the country, received during each week by Mail and by Telegraph, from numerous *Special Correspondents*, and all other reliable sources of information;

THE LETTERS OF "OCCASIONAL,"

whose epistles from Washington during the last three years have been singularly correct in their statements and predictions, and whose comments upon public affairs have been copied and read with interest throughout the whole country;

A THRILLING SKETCH ORIGINAL,

illustrative of the romantic incidents connected with the War; *GLEANINGS FROM THE OLD TREASURES OF WAR WIT AND WAR POETRY*, that are elicited by the mighty events now transpiring;

ABLE EDITORIALS ON THE GREAT QUESTIONS OF THE DAY;

THE LATEST LOCAL AND GENERAL NEWS;

A SUMMARY OF RELIGIOUS INTELLIGENCE interesting to all Denominations;

IMPORTANT ARTICLES FROM FIRST CLASS WRITERS;

ACCURATE MARKET REPORTS,

Including the Cattle Markets of Philadelphia, New York, and of Baltimore, the Money Market, and Reports of the Prices of Produce and Merchandise.

Efforts will constantly be made to introduce such new features as will render the

"WAR PRESS"

one of the most popular and attractive Journals of the country. In contrary to general expectations, the war should be suddenly brought to a close, it is intended to fill the columns with articles that will prove deeply interesting to its readers.

GREAT PREMIUM ATTRACTION.

IRVING'S LIFE OF WASHINGTON
AND THE
ECLECTIC MAGAZINE.

GEORGE P. PUTNAM, Esq., the Publisher of IRVING'S LIFE OF WASHINGTON, in five large volumes, the price of which is from $7 to $9 per set, according to the binding, has prepared a new and beautiful edition of this great National work, in ONE SPLENDID VOLUME of 821 pages, in double columns, in clear and readable type, with a full Appendix and copious Index, superbly illustrated with TWENTY rich and costly Engravings on steel.

The work is *unabridged* and complete as in the edition of 5 volumes.

1. We offer this splendid book as a PREMIUM as follows:

2. We will give one copy of this valuable edition of Washington Irving's most important work, to any person, or any three persons, who will separately or unitedly send us the names of three new Subscribers to the ECLECTIC, with the pay, in advance, for one year—$5 each.

3. This is a rare chance, and an easy mode of obtaining one of the most valuable histories in our language.

4. Any minister or person can thus obtain a rich accession to his own private library.

5. Any three persons in every village in the land, can thus enjoy the instructions of this great book of American History by uniting to obtain the work, and sharing in its ownership.

6. Compact testimony of high literary authority has pronounced Irving's Life of Washington a leading work of the age in the department of history.

7. We have made the necessary arrangements with the Publishers for a supply of this work for premiums.

8. The work will be sent by express, prepaid, to all convenient distances. In many cases, the work will be deposited in the principal cities South and West, with an order for its delivery.

9. Intelligent men in every community will be glad to have this work within the reach of their sons and daughters.

10. The attention of Postmasters is especially invited and their cooperation solicited.

11. The offer, and the easy manner of obtaining the work, in connection with the ECLECTIC, is unsurpassed. The works are both ready.

P. S.—A $80 set of this work was sent to the rooms of the Prince of Wales at Boston.

Great Premium Portrait.

Price $5.

2. We will send, postage paid, a copy of this very beautiful portrait to each new subscriber to the Eclectic, who pays $5 in advance.

Premium Parlor Engravings

4. If wide-spread commendations of the Eclectic by the Press, in all parts of the land, that it is the best magazine published and most richly embellished, then now is the time to subscribe and obtain both the work and a valuable premium besides.

WILLIAM H. RIDWELL,
No. 5 Beekman Street, New York

PROSPECTUS OF

The North Carolina Presbyterian.

THE Presbyterian Church in North Carolina has long labored under a serious disadvantage—the want of a Journal to advocate her claims and represent her interests. It is estimated that only 1000 Presbyterian families are taken in the bound of the Three Presbyteries. We have 12,000 Communicants, and it is safe to infer that there are 30,000 Presbyterians in principle in the State. Our Synod stands fifth in the Union, in point of numbers, and her membership is greater than that of any Synod South or West of Pennsylvania. Our sister States of the North and South, neither of which has a membership so large as ours, publish the Central and Southern Presbyterian, for the benefit of their people. The time has come when the Presbyterian Church in North Carolina should likewise do her duty to her children. It is now conceded and experienced, that hundreds of our members will take a State paper who will take no other. The Paper is needed to be the organ of our Synod and Presbyteries—to elevate and enlighten the piety of our membership by diffusing evangelical knowledge—to promote the cause of Education—to develope the Ministry, and give strength to the attachment of our people to the Church and sanctuaries of their own State.

If our Church in other States, and other Churches in this State, can supply their members with a religious journal, why may we not? Are North Carolina Presbyterians inferior in talent, energy and patriotism to their neighbors on the North or Southern Christians of other denominations at home? With the same or better opportunities of accomplishing this work, shall we leave it undone? In the last page of one of our most able and esteemed Ministers, an adopted son of our State, "It ought to have been undertaken 20 years ago, but it is not too late to begin to do right."

It is our wish and design to make the North Carolina Presbyterian a journal of the first class, equal to the best in the country in typographical appearance and in adaptation to the wants of our Churches. Its columns will afford the latest intelligence, both foreign and domestic, and special care will be taken to give a full and accurate summary of State news. The name of the paper is designed to be an exponent of its character and contents. From conviction, it will advocate the conservative, orthodox, Old School doctrines and order of the Church.

Our first appeal is to our own people in N. C. Presbyterians. Whilst we rely confidently upon their aid, we trust that the native sons of North Carolina who have found homes in other States, and the adopted citizens of our State who form so important an element in our ministry and membership, will take a deep interest in this enterprise and give it their hearty support.

TERMS: $2 per annum in advance, or on delivery of the first number; $2 50 in six months; $3 at the end of the year. To clubs of 25 in one place, paying in advance, and when the Paper is sent to one address, a discount of 10 per cent will be allowed. Our Ministers and Elders are earnestly desired to act as Agents, and all others friendly to the cause, will please assist in procuring as many subscribers as possible, and forwarding the names, by August 1st, to the Office. As soon as 1500 subscribers are obtained, the first number will be issued. It is hoped that a vigorous effort is made in the next two months by those who take a lively interest in this work, so as to enable us, without doubt, to begin the publication at the end of that time with a paying subscription list of at least 3000.

THORLEY'S FOOD FOR CATTLE,

As used in Her Majesty's Stables, His Royal Highness the Prince Consort's Farm, Windsor; in the Establishment of His Royal Highness the Prince Regent of Prussia; throughout the Royal Military Stables of the Prussian Army, by Order of his Excellency Lieut.-Gen. Widmann, Head Master of the Horse.

For Horses it is indispensable in promoting and sustaining the animal functions in health and vigour. For Milch Cows it is invaluable, increasing the quantity and improving the quality of Milk. For Beasts nothing can compare with it for feeding quickly. For Sheep and Pigs the effects produced in one month will exceed all expectation.

THORLEY'S FOOD FOR CATTLE,

Possessing as it does the bitter and medicinal properties contained in spring grass or tares, or other unripe herbage, is essential to herbivorous animals, as it operates in stimulating the stomach and digestive organs to healthy action. This compound or condiment for feeding Cattle or seasoning their food is composed purely of vegetable matter, some of which is highly aromatic, and for keeping Horses in good condition it is unequalled. Pigs fatten with surprising rapidity upon it, and their flesh increases in flavour and value. Cowkeepers will find great advantage in the increased quantity and improved quality of the milk during its use. All animals are benefited by it.

Sold in Cases, containing 448 Feeds, Price 14 Dollars; ½ Cases, containing 224 Feeds, 7 Dollars; and ¼ Cases, containing 112 Feeds, 3½ Dollars.

T... Magazine of Useful Information.

THE undersigned proposes to publish in the City of Raleigh, a semi-monthly journal of the above character, devoted to the diffusion of useful Information.

The want of such a journal is felt by every intelligent citizen, who desires to become acquainted with the resources of the State, and post himself with future prospects, &c., and by none so much as by our Legislature.

That we have no regular system of statistics, can not be attributed to any want of material. There is a mass of valuable and interesting information contained in our Legislative and Executive Documents and Reports, which, in their present situation, for all practical purposes, might as well be in the Chinese language. Besides what our Legislative archives contain, our newspapers often publish valuable statistical information, which is too frequently lost, or preserved by a very few, rendering it an impossibility when wanted, that the facts are soon forgotten. The same may be said of the Reports and Statements from time to time made by our State operated companies, and others engaged in Manufacture, Mineral Commerce, &c.

To collect these various items of information, and give them to the public in a compact easy of reference, and for perpetual preservation, as well as to gather from all available sources, everything bearing directly or indirectly on the wealth, prosperity and industry, is the design of the Journal now offered for public patronage.

So far as the plan for conducting the same has matured, the pages of the STATIST will be devoted to the arrangement of such tables relating to our Population, Agriculture, Commerce, Education, Public Improvements, Manufactures, Fisheries, Mines, and Social Statistics generally, as will present their condition, and our progress in each.

It is also designed to contain the Reports (condensed) of the Public Treasurer, Commissioners of the Sinking Fund, Superintendent of the Common Schools, and all other State officers and Boards; as also, Statements and Reports of the conditions and progress of the various Railroad and Navigation Companies.

The STATIST will be put to press as soon as a sufficient number of responsible names are obtained to pay the expenses of publication. The numbers will contain each, not less than 150 pages of closely printed matter, making a book of 300 pages, or more, to which will be added a full and complete index.

TERMS: $3 per annum, $1 50 for six months, payable on the first number is ready for publication, which will be duly announced in the public newspapers.

PROSPECTUS
OF THE
CHURCH INTELLIGENCER.

THE UNDERSIGNED proposes to publish in the City of Raleigh, in North Carolina, a weekly newspaper, designed to advance the interests of the Episcopal Church at the South, and to diffuse intelligence concerning its labors and progress. In this enterprise he has reason to hope for the approbation, and co-operation of the Bishops of Tennessee, Louisiana, Georgia, Alabama, Mississippi, Florida, South Carolina, Texas and the Missionary District of the South West. In each of these dioceses he expects to have a resident correspondent to the columns of his journal, who shall give information, to its readers of any event of interest occurring in the diocese to which the writer belongs.

The benefits of such a paper, if well conducted, will be acknowledged to be great, when it is recollected that in all these dioceses just enumerated, constituting themselves a mighty and widely growing empire—there is not a single newspaper expressing the sentiments and recording the contemporaneous history of the Episcopal Church—that what is known by the clergy and people living in these extensive and prosperous regions on these subjects is gathered mainly from newspapers published at remote points at the North, and with the best of intentions, errors and the especial duties of the churchmen therein are comparatively obscure and neglected subjects. In the to maintain the principles, the past history and present condition of the church are often misrepresented, to the injury of country and church, more frequently none at all, and there is no organ and no opportunity by which publicly and effectually to refute such misrepresentations and correct such mistakes.

By choosing for a newspaper in these dioceses conducted in a religious spirit and on judicious principles, the members of the church might be assisted not only in the general improvement of their spiritual state but especially in the performance of the peculiar duties imposed upon them by the constitution of society in the Southern country—duties which do very, very, the merits of many of them.

It is furthermore intended to enrich the columns of the paper with as many as possible of those treasures of thought and learning which the Periodical religious literature of our mother church is now so abundantly pouring forth—and to give occasional views of the state of religion and learning on the continent of Europe.

Its terms will be two dollars and a half per annum, payable in advance. Advertisements will be inserted at the usual rates, and a liberal discount made for standing advertisements.

The paper will be sent free to any clergyman who will forward the names and the cash, at the prices of ten subscribers. HENRY F. GREEN,
Presbyter of the Diocese of N. C.

AYER'S

CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

BURLINGTON, Mass., 20th Dec., 1855.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the accompanying symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your Pectoral myself and in my family ever since you furnished it, and believe it the best medicine for the purpose ever put out. With a bad cold I should assume pay twenty five dollars for a bottle than do without it, if I take any other remedy."

Croup, Whooping Cough, Influenza.

NEW BEDFORD, Miss., Feb. 7, 1856.

BENJAMIN ALLEN: I will cheerfully certify your *Pectoral* is the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.
HIRAM CONKLIN, M. D.

AMOS LEE, Esq., Montreal, Ia., writes, 3d Jan., 1856: "I had a severe Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your *Pectoral*, by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we extend to you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MACCONNELSTOWN, Pa., Feb. 4, 1856.

SIR: Your *Cherry Pectoral* is performing marvelous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKE, Merchant.

A. A. RAMSEY, M. D., ALBION, Monroe Co., Iowa, writes, Sept. 6, 1856: "During my practice of many years I have found nothing equal to your *Cherry
