May Fight Secretly Under a Circus Tent.

HOT SPRINGS, Ark., Oct. 29—Urgent dispatches have been sent to Pittsburgers on behalf of the citizens's committee asking him to come at his earliest convenience. Fitzsimmons replied that he would be here in ample time to keep his engagement, and Mayor Walters responded with this word of good cheer: "Come as soon as you can. Will do all in our power to make you comfortable."

Corbett trained hard all day at Spring Lake. It is understood that an immense circus tent, capable of being erected in six hours, has been secured in Cincinnati and will be shipped here by special train as soon as the word goes out that the fight is a go.

Dr. Daniel at the Synod.

Dr. Eugene Daniel, who was highly honored by the Presbyterian Synod in session at Fayetteville recently, closed the session with an expression of thanks for the courtesy and kindness manifested towards himself and another throughout the meeting, for the spirit of love and harmony that had prevailed, and for the earnest attention to its work that had characterized the Synod.

The Synod closed with singing, "Blest Be the Tie That Binds," and Dr. Daniel led in prayer and pronounced the Apostolic benediction and the services of the Synod were closed.

Lane's Cotton Estimate.

Mr. Hector D. Lane, president of the Southern Cotton Growers' Association has taken a look over the cotton situation, to ascertain whether there was any reason for the recent fall in prices. He says he believes the depression in the price is only temporary, and that January cotton will go to 10 cents. He estimates the total crop now to be 6,500,000 bales. He does not believe more than 300,000 bales of it will come from Texas. He says this has been the finest season for gathering cotton he has ever known.

They say that the story of Campos' insanity is a campaign lie, like all the rest of the news from Cuba.

Last June Dick Crawford brought his twelve-months-old child, suffering from infantile diarrhoea, to me. It had been weaned at four months old and had always been sickly. I gave it the usual treatment in such cases but without benefit. The child kept growing thinner until it weighed but little more than when born, or perhaps ten pounds. I then started the father to giving Chamberlain's Colic, Cholera and Diarrhœa Remedy. Before one bottle of the medicine was used a marked improvement was seen and its continued use cured the child. Its weakness and puny constitution disappeared and its father and myself believe the child's life was saved by this remedy. J. T. Marlow, M. D., Tamaroa, Ill. For sale by J. Hal Bobbitt Druggist.

It is as staple as sugar and coffee in this section. It is an article of merit and should be used in every household. For sale by J. Hal Bobbitt, Druggist. sept

Mr Fred Miller, of Irving, Ill, writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. DR. G. C. OSGOOD, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."
DR. J. F. KINCHELOE, Conway, Ark.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."
H. A. ARCHER, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
