W. P. Symonds, carpenter, 207 Washington St., Greenville, says: "About a year ago my kidneys were out of order. I had a dull pain across my back and loins. At night I was restless and could not sleep well. I also had headaches and dizzy spells. The secretions from my kidneys were scanty and contained a brick-dust sediment. Friends recommended Doan's Kidney Pills to me and I got a supply at the Warren Drug Co. After using them a short time according to directions, they relieved me of all the symptoms of kidney trouble."

A. C. REALTY COMPANY'S BIG CONVENTION

Premier Auction Company of This City In Annual Meet

AT OCEAN VIEW, VIRGINIA

July 31st and August 1. Closed Saturday Night With About Forty Members At The Banquet Board.

The Atlantic Coast Realty Co. whose home office is in our city held their annual convention at Ocean View Va., July 31st and August 1st.

It was the great occasion of the year for the officers and employees of the company where some forty people of this Premier Auction Co. got together at Ocean View Hotel.

The territory for this business is so large and the employees so numerous that many of the men do not meet except at the annual convention. A successful auction sale of lots was held in Norfolk Va., July 30th, and Norfolk people had their first opportunity to see the premier auction company of North Carolina sell lots at the rate of a lot a minute.

Friday morning and afternoon were devoted to speeches and addresses by officers of the company and heads of the various departments. The morning and afternoon sessions on Saturday were devoted to talks and discussions by the various members of the company. The convention was brought to a close after a sumptous banquet at Ocean View Hotel Saturday night.

The menu cards for the banquet were something new and original being on blue prints showing a plat of city blocks and lots with all the streets and avenues named after officers and members of the company. Numerous jokes on the different men were also worked up on the menu and the genial President of the Realty Co., J. W. Ferrell, acting as toast master demanded from each in humorous style a full explanation of why their names appeared on the menu.

The dining room was tastefully decorated for the occasion and a large banner sixteen feet long informed all visitors to Ocean View Hotel that The Atlantic Coast Realty Co., of Greenville, N. C., were holding their annual convention.

The party returned to Greenville Sunday morning all well pleased with Ocean View and enthusiastic for their next auction sale.
