OVERLAND

The 1913 sales of Overland cars are already doubling those of any other manufacturer producing a similar car and still they are unable to supply the demand. The Overland car has increased over last year 300 per cent. If the sales have increased that much it proves that the people know a good thing when they see it. Better order now and get one soon.

Very Serious

It is a very serious matter to ask for one medicine and have the wrong one given you. For this reason we urge you in buying to be careful to get the genuine—

Liver Medicine

The reputation of this old, reliable medicine, for constipation, indigestion and liver trouble, is firmly established. It does not imitate other medicines. It is better than others, or it would not be the favorite liver powder, with a larger sale than all others combined.

How to Treat Ailing Children.

Growing children play hard and work hard at school, which with rapid growth uses up an enormous amount of energy and vitality that must be replaced.

When a child is tired all the time, no appetite, weak, delicate and sickly we guarantee Vinol, our delicious cod liver and iron tonic, will build them up, create a hearty appetite, sound flesh and muscle tissue, pure healthy blood and make them strong.

Mary Lang, of Altoona, Pa., writes: "Every since childhood I have been weak and delicate and my blood has been thin and poor. Many different forms of treatment did me no good, but last spring I took Vinol and now I am so much stronger and better that I want you to know it. I don't know when I have felt so well and vigorous as I have since taking Vinol."

If Vinol fails to do just what we say, we will give back your money. Gibson Drug Store, Concord, N. C.
