Memorial Day Remembered in the Usual Impressive Manner.

Program For Commencement at A. & M. College. Plans For Textile School. The Two Indian Convicts.

RALEIGH, May 10.—Memorial Day was observed here this afternoon in the usul effective way. The public buildings were closed and the State flags on the Capitol were at half-staff. The exercises were held at the City hall. Capt. S. A. Ashe was chief Marshal and introduced Maj; Graham Daves, the orator of the day, whose theme was, "The causes which led up to the Civil war and the events of the first year of the war." Rev G. F. Smith was the Chaplain. A procession was formed, composed of the Ladies Memorial Association, Daughters of the Confederacy, Confederate Veterans, Sons of Veterans, local and visiting military, etc. The graves at the Confederate Cemetery were decorated, and salutes fired.

The programme of the commencement of the Agricultural and Mechanical college here was issued today. May 26, Rev Dr. Lafferty of Richmond will preach the baccalaureate sermon in Edenton street M. E. church; May 27, Edward Speight Darden, class of '95, will deliver the alumni oration in agricultural hall; May 28, Hon. Carroll D. Wright, United States labor commissioner, will deliver the annual address, in the Academy of Music; May 29, the commencement exercises will be held in the Academy of Music.

Trustee D. A. Tomkins of the college has the plans for the textile building and submit these to the board May 27.

Last week 150 rfles and a like number of sets of equipments were issued to the college by the government. As soon as an armory is prepared two rifled cannons will be issued.

Two Indians who were placed in the penitentiary yesterday were not only cruel murderers but most adroit in concealing their crimes. They buried their victim, a white man beside a steam in such a way that there was no trace of removal of the earth. Very few Indians have ever been in the penitentiary here and all who have served time were sentenced for murder.

Boys who are away at school should have a sure remedy for sudden attacks of cramps, diarrhoea or dysentery, and an hours delay in cases of this kind often leads to serious results. Parents should supply their sons with PAIN KILLER, which is simple, safe and sure. One dose rarely fails to bring relief from any bowel complaint. There is but one Pain Killer, Perry Davis'. Price 25c. and 50c.

No Outdoor Memorial Exercises.

Special to Journal.

RALEIGH, May 10.—A very heavy rain and considerable hail fell here today.

PRESIDENT McKINLEY.

Reviews Floral Parade of Los Angeles Carnival.

Los Angeles, Cal., May 9.—From a broad blue canopied pavilion, surrounded by the members of his Cabinet, the Governor of Ohio and notables from many States, President McKinley today reviewed the floral parade of the Los Angeles Carnival. The city was packed. The population of Los Angeles, according to the census is more than 100,000, but the streets must have held almost twice as many today. Pasadena, Santa Monica and other neighboring towns in Southern California were literally depopulated.

Skin affections will readily disappear by using DeWitt's Witch Hazel Salve. Look out for counterfeits. If you get DeWitt's you will get good results. It is the quick and positive cure for piles. F S Duffy & Co.

ACCIDENT TO SHAMROCK II.

Spin Terminated by Squall and Sir Thomas Has Narrow Escape.

Southampton, May 9—The sixtymile spin of the Shamrock II, and Shamrock 1., from Southampton to Weymouth, was suddenly terminated off the Needles by a bad squall, during which the gaff topsail yard of the new challenger was carried away and her gaff crumpled up. She was forced to abandon the contest, and returned to Southampton in tow of the Erin for repairs

The accident was primarily due to the carrying away of a heavy backstay, a block of which fell and struck the deck at Sir Thomas Liptons feet. Had the block fallen a foot nearer Sir Thomas Lipton would probably have been killed,

Cloudburst at Wilson.

WILSON, N. C. May 9.—Wilson and vicinity was visited this afternoon by the most destructive rain and hail storm in years. In many cases young crops are a total wreck. Both cotton and tobacco will have to be replanted. Strawberries have also been very much damage by the hailstorm. Some report the crop as entirely ruined.

The torrents of water could not be held by the city sewerage system, and in many cases were stored in the streets of Wilson a foot deep.

Now don't forget the date May 11th and 12th. The young people seem to be practising right lively for Childrens day exercises. They anticepate a good time.

Mr. J. O. Barbour of Winthrope spent Sunday in Bachelor.

Mr. Isaac Taylor goes on business to New Bern Thursday.

Rev. F. S. Benton is home on a visit to his family this week.

Mr. John Tetterson and E. D. Whitfield of Winthrope spent Sunday in our little town, come again?

Mr. Will Blades, of the Blades Lumber Company was in Bachelor Friday looking after his new mill which will start up soon.

Some of our correspondents at different places find fault with the news sent to the Journal. Our friend Joshua at Askins seems to think that Askins is the only place. But from the reading of his short items it can't be quite as large as New York, for his items are very short and they were written mostly on other places who can furnish long items and of good news. Joshua seems to think that places such as Dover, Trenton, Mayesville, Bachelor, and many other places which he tried to throw off on, surely contains one store and postoffice. I hardly think Askins can show up a store. Can it Joshua, of Askins, N C? Look over the census list and see the population of Askins and let us all know, will you? T. C. E.

You are much more liable to disease when your liver and bowels do not act properly. DeWitt's Little Early Risers remove the cause of disease. F S Duffy & Co.
