AN UNUSAL CASE.

A rather unusual case has developed at Raleigh, growing out of the death of an inmate of the Soldiers Home. FINE TAILORING

In choosing your tailor it is quite important to decide wisely. A money consideration of a few dollars should not influence you to order a Suit of Clothes, unless you are satisfied the garments can be correctly made of standard materials.

Trustworthy fabrics, linings, and trimmings, and conscientious workmanship must be sacrificed if the purchase price is insufficient to pay for them. These are hard facts and you cannot get away from them.

Our established reputation for Fine Tailoring is an honest guarantee of honest value.

We are now taking orders for New Spring Styles, and invite an inspection of our Imported Suit Patterns.
