IMPROVEMENTS SUGGESTED

By The Mayor In His Monthly Report.

At the special meeting of the board of Aldermen Friday night the Committee of the Fire Department was instructed to investigate the needs of the department and make the purchases that were recommended by the Chief.

The following reports of the Mayor and Chief of Police were received:

To the Honorable Board of Aldermen:—

I have the honor of reporting fines and costs imposed by me in the police Court of the month of June to the amount:—

Fines	$20.00
Costs	$61.50

Seven have worked time out on streets four sent to jail, three judgment suspended.

The sanitary inspection is not what I would recommend. The officers have been over the city and not a single case has come up for violation of the sanitary laws. I recommend that a regular sanitary officer be appointed.

The condition of your streets needs your attention. I would recommend that the Board consider the question of obtaining a rock crushing outfit and the establishment of a rock quarry on one of the rivers whereby crushed rock could be had to place on the streets and the fine rock on the sidewalks. If this course is pursued it is my opinion that in a short while you will have the best sidewalks in the State. I would suggest that if the quarry is established the city convicts could be used in the quarry and probably in a short time the County convicts could be obtained for similar use. I would also recommend that the work on your streets be commenced immediately. If the matter is delayed until you have the money in the treasury available for this purpose it will probably never be done, and your streets will be impassable. It will in my opinion be best to use the credit of the City to do this work at once.

I also recommend that the Auditing Committee be requested to make their report as to the financial condition of the City as soon as possible so that the Board may know exactly how the City's finances stood at the beginning of their term.

Very respectfully,

WM. ELLIS,
Mayor.

To the Hon. Mayor and Board of City Aldermen:

Below please find my report for the month of June 1903. We have made 52 arrest during the month, of which 44 were convicted, 8 discharged, 7 worked on the street, 4 sent to jail, 3 judgment suspended.

Amount of cost collected	$ 2-0.10
Amount back cost "	6.90
Total	$27.00

The above amount $27.00 has been turned over to the Treasurer, and I hold his receipt for same.

At Rest.

The death Angel visited the home of dear grandfather and grandmother and took from them their oldest son, Bryan I. Willis, died June 26 of June 1903 He was 31 years 11 months and 7 days old. He joined the Primitive Baptist church about five years ago. He was a faithful member. Always ready to do what God commanded him to do. He died with that dreadful disease consumption he said that he was ready and willing to go. What a sweet hope to the heart broken one to know he is in Heaven.

We stood by him five months and did all that could be done, we saw him suffer so much but if we could have relieved him there was only one that could cure him and that was God, it was hard to give him up, but we believe that he is in Heaven, where he will have no more sickness pain nor sorrow but all will be happiness for ever more, he was ever ready to lend a helping hand to the needy was ever ready to do the blessed Savior's will, we heard him speak of dying and he said there was nothing between himself and God. He said the Angel was around his bed.

It is hard to give up one we love so well but the Lord giveth and the Lord taketh away, blessed be the name of the Lord, for death is only a dream May God comfort the dear family and help them to prepare to meet him in Heaven, where parting will be no more.

And the one we loved from us is gone, the vacant seat is left, a place made vacant in one home that can never be filled."

SUPPLIES FOR SECOND

Regiment to be Sought in New Bern. Three Years on Public Roads For Embezzling.

Special to Journal.

RALEIGH, July 18.—The National Guard officials in this State have been interested in knowing how the war department intends to ration troops on duty in camp.

A telegram from the Secretary of War today directs that army rations be provided, and that these supplies be purchased in open market or otherwise, and that duplicate bills be kept.

Commissary General Gallertt is ordered to go to New Bern at once to purchase supplies for Second regiment for encampment at Morehead City.

Issues will be made in regular army style, and as the allowance is very fair the troops will be well fed.

In the Superior court here today Charles C McDonald was sentenced to three years labor on the public roads for embezzling $1,200 from the Supreme Lodge Knights of Honor. He appealed.

Some Grand Opera.

It is not often that New Bern people have the opportunity of hearing grand opera but this week music lovers will have the pleasure of hearing the ever popular Cavalleria Rusticana, together with a part of the opera Martha.

The principal singers are all stars and each one has been connected with some celebrated opera troupe and are themselves vocalists of much ability. They are: Miss Elvia Crox Seabrooke, of Castle Square Opera Company, prima donna; Miss Eloise Bishop, of Gordan-Shay Opera Company, contralto; Miss Gertrude Symerberg, mezzo soprano, Grau Grand Opera Company; Mr. William Xanten, tenor, Damrosch Opera Company and Alfred Cahill, barstone, of Floradora Opera Company.

Some of these names are well and favorably known among opera goers in the large cities. This fact and the fact of their being associated with the largest and best opera companies on the road insures a good entertainment.

Hot Ball Game at Reelsboro.

There was a union picnic at Reelsboro yesterday, and among the attractions was a base ball game between the Reelsboro nine and a team composed of stars' from this city. Charlie Daniels and Carl Armstrong did the battery work for the "stars". Reelsboro won the game by a score of 6 to 5, but had Stanley held on to a fly ball to left field when three Reelsboro men were on bases the score would have been reversed.

The boys returned home last night, although defeated they had an enjoyable time. They also desire to express their thanks to the "rooters" from Alliance and Bayboro who cheered the "Stars" at every play.

No Change In Rural Delivery

The Postoffice Department has made public the following: "There seems to be a wide misunderstanding as to the present attitude of the department regarding rural free delivery. It is not the purpose of the department to disturb routes already established unless they are manifestly unnecessary. But as long as all of the routes that are asked for cannot be established because of the lack of sufficient money, the routes that will supply the greatest number of families should certainly have preference."

Farmers Attention !

The American and Imperial Tobacco Companies have instructed their buyers to refuse all tobacco not properly graded. This order is effective every where and will be obeyed to the letter.

The grading by the farmers will insure them better prices and will make the handling at the local market and by the manufacturer much easier.

Tobacco growers should heed this suggestion and act accordingly.
