VOL. 17. WINDSOR, N. C., THURSDAY, OCTOBER 4 1900 NO. 29

$1.25 FOR NOTHING

Our presses have completed printing our catalogue No. 90 of everything to wear, USE AND WEAR. Each copy costs $1.00 to print and 25 cents to mail. As an evidence of interest send 10 cents in stamps to help pay postage, and you may deduct these 10 cents from your first order of $1. It requires 247 carloads of paper for this wonderful catalogue, which contains 480 pages, size 10½x14 inches, equivalent to over 1000 pages of the ordinary catalogue. We save you 25 per cent. to 75 per cent. on everything you buy at every season of the year. This book quotes wholesale prices to consumers, and with it in your possession you buy cheaper than the average dealer. There is little you can think of that this book does not contain, excepting Locomotives and Boats. We even quote Live Animals. Everything a man, woman or child wears, all kinds of food, everything for the home, for the office, for a hotel, for use on a farm, in a barn, or for every known purpose, can be found in this catalogue. This book contains over 13,000 illustrations and quotes prices on over 150,000 different articles.

Lithographed Carpet, Rug and Drapery Catalogues, and our Clothing Catalogue with large samples attached, are also Free. Expressage paid on Clothing; Freight paid on Carpets.

CONSUMPTION

Do not think for a single moment that consumption will ever strike you a sudden blow. It does not come that way.

It creeps its way along.

First you think it is a little cold; nothing but a little hacking cough; then a little loss in weight; then a harder cough; then the fever and the night sweats.

Better stop the disease while it is yet creeping. Better cure your cough today.

You can do it with

Ayer's Cherry Pectoral

The pressure on the chest is lifted, the feeling of suffocation is removed, and you are cured. You can stop that little cold with a 25 cent bottle; harder coughs will need a 50 cent bottle; if it's on the lungs the one dollar size will be most economical.
