Organized on purely *mutual* principles, the life members participate in the *whole* of the profits which are declared annually. Besides, the applicant for life, when the annual premium is over $30 may pay one half in a Note.
All claims for insurance against the Company will be paid within ninety days after proof of the death of the party is furnished.
Slaves are insured for one of five years, at rates which will enable all Slaveholders to secure this class of property against the uncertainty of life.
Slave insurance presents a new and interesting feature in the history of North Carolina, which will prove very important to the Southern States.
The last four months operation of this Company shows a very large amount of business—more than the Directors expected to do the first year—having already issued more than 200 Policies.
