THE JOURNAL.

C. T. HANCOCK - Local Reporter.

Entered at the Postoffice at New Berne N. C., as second-class matter.

Now for four, four years more of Democratic rule.

AN effort is being made to establish the culture of flax in western Texas.

JUDGING from the beginning it has made, the inaugural month will be a howling success.

SEVERAL persons were killed by a cyclone in Alabama Georgia and Mississippi Friday night.

EX-PRESIDENT HARRISON, in an interview, said he was glad to lay aside the cares of office and retire to the quiet life of a private citizen.

SECRETARY HERBERT is a Widower. We are sure he will not send any of the newspaper cuts of himself to any fair damsel or buxom widow.

THE 4th of March was uncle Sam's nonpartisan day. A Republican administration of twelve hours and a Democratic administration of twelve hours.

THE county commissioners of Fulton county, Ga., which includes Atlanta have unanimously voted in favor of an issue of $600,000 of bonds for the purpose of building a new court house, city hall, jail and reformatory.

THE Goldsboro Argus puts it very cleverly when it says: "The rival political circuses in Kansas have been consolidated and the people out there are getting two performances under one canvass for the price of one."

PATRIOTISM.

Patriotism has a sure place in the bosom of every good citizen and asserts itself in every great emergency.

We cannot always have public affairs just as we wish them to be. Indeed Government is largely the result of compromise in which each citizen surrenders a part of his individual freedom for the good of the whole people.

Parties are composed of many elements, and all that can be expected of any party is an agreement on fundamental princeples, and an acquiescence in the will of the majority and the action of its accredited representatives.

We are Democrats because we believe the good of the country is involved in Democratic administration. Mr. Cleveland is at once the head of the Government and of the Democratic party; and patriotism, no less than party fealty requires that he be sustained in the discharge of the responsible duties of his high office.

Nevertheless the press has its duties to perform. A muzzled press is worthless. Freedom of thought is the birth right of every one, and the editor who does not dare to express his opinions on questions of public policy is sadly out of place In dissenting from Mr. Cleveland's views on Civil Service we do not mean to offer any factions opposition to the Administration. Indeed upon all questions of governmental policy we are in perfect accord with the President, but we do not think that Democratic reforms can be carried out through Republican agencies, and we would sacrifice our manhood if we pretended to entertain any such opinion.

In taking in the whole situation and looking at the prospect from every attainable standpoint, we have abundant reason for congratulation and rejoicing. Patriotism looks to the future with the confident assurance that human wisdom, under the direction of Heaven, will conduct this great nation in such a way as will secure the happiness of the people and the prosperity of the Republic.

Children Cry for Pitcher's Castoria.

REMARKABLE RESCUE.

Mrs. Michael Curtain, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and, to her delight found herself benefited from first dose. She continued its use and after taking ten bottles found herself sound and well, now does her own housework and is as well as she ever was. Free trial bottles of this Great Discovery at F. S. Duffy's wholesale and retail drug store; large bottles, 50c. and $1.00.

THE Philadelphia Times says: Mr. Harrison's latest Presidential speech should be upon the subject: What I have done with the $94,000,000 in free gold left in my charge when Mr. Cleveland went out of office.

The First Step.

Perhaps you are run down, can't eat can't sleep, can't think, can't do anything to your satisfaction, and you wonder what ails you. You should heed the warning, you are taking the first step into Nervous Prostration. You need a nerve tonic and in Electric Bitters you will find the exact remedy for restoring your nervous system to its normal, healthy condition. Surprising results follow the use of this great Nerve Tonic and Alterative. Your appetite returns; good digestion is restored, and the Liver and Kidneys resume healthy action. Try a bottle. Price 50c. at F. S. Duffy's drug store.

No man ever meets with shipwreck because he finds out that he is weak, but thousands are lost because they feel that they are strong.

Shiloh's Consumption Cure.

This is beyond question the most successful Cough Medicine we have ever sold, a few doses invariably cure the worst cases of Cough, Croup and Bronchitis, while its wonderful success in the cure of Consumption is without a parallel in the history of medicine Since its first discovery it has been sold on a guarantee, a test which no other medicine can stand. If you have a cough we earnestly ask you to try it. Price 10c., 50c, and $1. If your lungs are sore, chest, or back lame, use Shiloh's Porous Plaster. Sold by New Berne Drug Co.

Make it a constant habit to be kind to everybody, and you will do more good than if you went about scattering money.

The Population of New Berne

Is about nine thousand, and we would say at least one-half are troubled with some affection on the Throat and Lungs, as those complaints are, according to statistics, more numerous than others. We would advise all our readers not to neglect the opportunity to call on their druggist and get a bottle of Kemp's Balsam for the Throat and Lungs. Trial size free. Large bottle 50c. and $1. Sold by all druggists.

How many a man has lied to save appearances, especially to his wife when he might have told the truth and gone about his business.

The Handsomest Lady in New Berne

Remarked to a friend the other day that she knew Kemp's Balsam for the Throat and Lungs was a superior remedy, as it stopped her cough instantly when other cough remedies had no effect whatever. So to prove this and convince you of its merit any druggist will give you a sample Bottle free. Large size 50c. and $1.

In his developement for the brute man is gradually demonstrating his complete independence of animal power and products.

Answer This Question.

Why do so many people we see around us seem to prefer to suffer and be made miserable by indigestion. Constipation, Dizziness, Loss of Appetite, Coming up of the Food. Yellow Skin, when for 75c. we will sell them Shiloh's Vitalizer, guaranteed to cure them. Sold by New Berne Drug Co.

To forgive a fault in another is more sublime than to be faultless one's self.

When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
When she became Miss, she clung to Castoria.
When she had Children, she gave them Castoria.

A PRETTY SURPRISE.

A beautifully illustrated and charmingly bound edition of Longfellow's "Evangeline," the most popular long poem ever published by an American author, and one of the most famous poems in the language, recently published, is a pretty surprise for book-lovers. It is in large type, numerous and excellent illustrations, very fine and heavy paper, gilt edges, remarkably handsome cloth binding, combining, in delicate colors, blue and white and silver and gold. No illustrated edition has ever before been published at less than $1.50, and that is about what you might "guess" the price of *this* to be, but it isn't—witness our offer below. Every home in the land ought to have a copy of this Evangeline, so charmingly beautiful, as a poem, as a collection of artistic illustrations, and as a product of the book-making art.

Our Offer. By special arrangements with the publisher we are able to offer this book to the subscribers to this paper as follows:

EVANGELINE and DAILY JOURNAL, one year,	$5.50
" " " " six months,	2.70
" " " " three months,	1.50
" " WEEKLY JOURNAL, one year,	1.25
