LIVER COMPLAINT, DYSPEPSIA,
Jaundice, Chronic or Nervous Debility Disease of the Kidneys, and all Diseases arising from a disordered Liver or Stomach, such as
Constipation, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heart burn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots or Webs before the sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of evil, and great depressions of Spirits, can be effectually cured by
DR. HOOFLAND'S
CELEBRATED GERMAN BITTERS,
PREPARED BY DR. C. M. JACKSON,
No. 120 Arch street, Philadelphia.
Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.
These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, without, safe, certain and pleasant.
READ AND BE CONVINCED.
The "Philadelphia Saturday Gazette," says of Dr. HOOFLAND'S German Bitters.
"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and therefore when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood, that we are not speaking of the nostrums of the day, that are ever flooding the country, but we speak of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."
"Spirit Weekly," said, Aug. 25: "Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. Persons of certain temperaments will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."
MORE EVIDENCE.
J. G. Maine, Esq., of the Daily News, said, Oct 31.
"Dr. Hoofland's German Bitters.—We are trying this renowned medicine for a stubborn disease of the bowels, and can with truth testify to its efficacy. We have taken the contents of two bottles, and we have derived more benefit from the experiment than we derived previously from years of allopathic treatment at the hands of our first physicians."
Hon. C. D. Hinsline, Mayor of the City of Camden, N. J., says:
"Hoofland's German Bitters.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say we found it specific in its action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration, is really surprising. It calms and strengthens the nerves, bringing the mind to a state of repose, making sleep refreshing.
If this medicine was more generally used, we are satisfied there would be less sickness, as from the stomach, liver and nervous system, the great majority of root and fruit diseases emanate. Have them in a healthy condition and you can bid defiance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial—it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit."
For sale wholesale and retail at the
GERMAN MEDICINE STORE,
No. 120 Arch street, one door below Sixth, Philadelphia, and by respectable dealers generally throughout the country.

May 7. ADAMS, BROTHER & CO.

"MAN KNOW THYSELF."
AN invaluable Book for 25 cents. "Every Family should have a copy."
Sixty thousand copies sold in less than three months. A new edition, revised and improved, just issued.
Dr. Hunter's Medical Manuel and hand Book for the Afflicted, containing an outline of the origin, progress, treatment and cure of every form of disease, contracted by promiscuous sexual intercourse, by self-abuse, or by sexual excess, with advice for their prevention, written in a familiar style avoiding all medical technicalities, and everything that would offend the chastest delicacy, from the result of some twenty years successful practice, exclusively devoted to the cure of diseases of a delicate or private nature.
To which is added, receipts for the cure of the above diseases, and a treatise on the causes, symptoms and cure of the Fever and Ague, for twenty-five cents a copy; six copies one dollar; will be forwarded to any part of the United States, by mail, free of postage. Address, postage paid, Cosden & Co., Publishers or box 196, Post Office, Philadelphia.
"This is, without exception, the most comprehensive and intelligible work published on the class of diseases of which it treats. Avoiding all technical terms, it addresses itself to the reason of its readers. It is free from all offensive matter, and no parent, however fastidious, can object to placing it in the hands of his sons. The author has devoted many years to the treatment of the various complaints treated of, and with too little breath to puff, and too little presumption to impose, he has offered to the world at the merely nominal price of 25 cents, the fruits of some twenty years most successful practice."—HERALD.
"No teacher or parent should be without the knowledge imparted in this invaluable work. It would save years of pain, mortification and sorrow to the youth under their charge."—PEOPLE'S ADVOCATE.
A Presbyterian clergyman in Ohio, in writing of Hunter's Medical Manuel, says: "Thousands of our youth, by evil example and the influence of the passions, have been led into the habit of self-pollution without realizing the sin and fearful consequences upon themselves and their posterity. The constitutions of thousands who are raising families have been enfeebled, if not broken down, and they do not know the cause or the cure. Any thing that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this widespread source of human wretchedness, would confer the greatest blessing next to the religion of Jesus Christ, on the present and coming generations—Intemperance, (the use of intoxicating drinks,) though it has slain thousands upon thousands, is not a greater scourge to the human race. Accept my thanks in behalf of the afflicted, and believe me, your co-worker in the good work you are so actively engaged in."

FORMODENTA.
STRANGE indeed, that so few realize how essential to female beauty, and manly elegance, are a fine set of polished teeth; nothing contributes more to wind it; nothing detracts more essentially from it, than neglected, and consequently discolored and disfiguring teeth. They are as essential to health as to beauty, for it is impossible to inhale through decayed or unclean teeth, without affecting the lungs and stomach frequently to a serious extent. In offering as a remedy for this evil the *Formodenta*, Messrs. Hazard & Co., are satisfied that they furnish at once the most perfectly safe, elegant, agreeable, effectual, and wholesome preparation known for Cleaning and polishing the teeth, hardening the Gums, purifying and perfuming the breath. In its precept in proved since it has received the approbation of every one who has used it, and is just what it assumes to be. No Lady or Gentleman should be without it.
Having been appointed sole agent for this State, I will make a liberal discount to Merchants or Druggists, ordering by the gross or dozen.
