THE NORTH CAROLINA
MUTUAL LIFE INSURANCE COMP'Y,
RALEIGH N. C.
THE above Company has been in operation since the 1st of April, 1848, under the direction of the following Officers, viz:
Dr. Charles E. Jonhson, President.
Wm. D. Haywood, Vice President,
James F. Jordan, Secretary,
Wm. H. Jones, Treasurer,
Perrin Busbee, Attorney.
Dr. Charles E. Johnson, } *Medical Board of Consultation.*
Dr. Wm. H. McKee, }
Dr. R. B. Haywood, }
J. Hersman, General Agent.

This Company has received a charter giving advantages to the insured over any other Company—The 5th Section gives the Husband the privilege to insure his own life for the sole use of his Wife and Children, *free* from any claims of the representatives of the husband or any of his creditors.

Organized on purely *mutual* principles, the life members participate in the *whole* of the profits which are declared annually. Besides, the applicant for life, when the annual premium is over $30 may pay one half in a Note.

All claims for insurance against the Company will be paid within ninety days after proof of the death of the party is furnished.

Slaves are insured for one or five years, at rates which will enable all Slaveholders to secure this class of properity against the uncertainty of life.

Slave insurance presents a new and interesting feature in the history of North Carolina, which will prove very important to the Southern States.

The last four months operation of this Company shows a very large amount of business—more than the Directors expected to do the first year—having already issued more than 200 Policies.

Dr. Wm. W. Harriss, Medical Examiner, and Agent, Wilmington, N. C.

All Communications on business of the Company should be addressed to

FORMODENTA.
STRANGE indeed, that so few realize how essential to female beauty, and manly elegance, are a fine set of polished teeth; nothing contributes more toward it; nothing detracts more essentially from it, than neglected, and consequently discolored and disfiguring teeth. They are as essential to health as to beauty, for it is impossible to inhale through decayed or unclean teeth, without affecting the lungs and stomach frequently to a serious extent. In offering as a remedy for this evil the *Formodenta*, Messrs. Hazard & Co., are satisfied that they furnish at once the most perfectly, safe, elegant agreeable, effectual, and withal cheap preparation known for cleaning and polishing the teeth, hardening the Gums, purifying and perfuming the breath. In its present improved state it has received the approbation of every one who has used it, and is just what it assumes to be. No Lady or Gentleman should be without it.

Having been appointed sole agent for this State, I will make a liberal discount to Merchants or Druggists, ordering by the gross or dozen

DR. HOOFLAND'S
CELEBRATED GERMAN BITTERS,
PREPARED BY DR. C. M. JACKSON,
No. 120 Arch street, Philadelphia.
Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, withal, safe, certain and pleasant.

READ AND BE CONVINCED.

The "Philadelphia Saturday Gazette," says of Dr. HOOFLAND'S German Bitters.

"It is seldom that we recommend what are termed Patent Medicines, to the confidence and patronage of our readers; and therefore when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."

"Scott's Weekly," said, Aug. 25: "Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

MORE EVIDENCE.

J. G. Moore, Esq., of the Daily News, said, Oct 31.

"DR. HOOFLAND'S GERMAN BITTERS.—We are trying this renowned medicine for a stubborn disease of the bowels, and can with truth testify to its efficacy. We have taken the contents of two bottles, and we have derived more benefit from the experiment than we derived previously from years of allopathic treatment at the hands of our first physicians."

Hon. C. D. Hineline, Mayor of the City of Camden, N. J., says:

"HOOFLAND'S GERMANS BITTERS.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say we found it specific in its action upon diseases of the liver and digestive organ, and the powerful influence it exerts upon nervous prostration, is really surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing.

If this medicine was more generally used, we are satisfied there would be less sickness, as from the stomach, liver and nervous system, the great majority of real and imaginary diseases emanate. Have them in a healthy condition and you can bid defiance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial—it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit."

F. BROWN'S
ESSENCE OF JAMAICA GINGER.
THIS ESSENCE is a preparation of unusual excellence. In ordinary diarrhœa, incipient cholera, in short, in all cases of prostration of the digestive functions, so common, it is of incalculable value. During the prevalence of epidemic cholera and summer complaints of children, it is peculiarly efficacious; no family, individual or traveller should be without it, as it enables the system to resist the influence of incipient disease, which lurk in a changing climate.

CAUTION.—Be sure to get the genuine Essence, which is prepared only by F. Brown, at his Drug and Chemical Store, N. E. corner of Fifth and Chesnut streets, Philadelphia, and for sale by all the respectable Apothecaries in the United States.
