THE ROAD TO HEALTH!

HOLLOWAY'S PILLS.

CURE of a Disordered Liver and Bad Digestion. Copy of a Letter from Mr. R. W. Kirkus, Chemist, 7, Prescot street, Liverpool, dated 6th June 1851.

To Professor HOLLOWAY:

SIR: Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines, for some years. A customer, to whom I can refer for any inquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver, and bad digestion. On the last occasion, however, the virulence of the attack was so alarming, and the inflammation set in so severely, that doubts were entertained of her not being able to bear up under it; fortunately she was induced to try your Pills, and she informs me that after the first, and each succeeding dose, she had great relief. She continued to take them, and although she used only three boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above, from *the severity of the attack*, and the *speedy* cure, I think, speaks much in favour of your astonishing Pills.

An Extraordinary Cure of Rheumatic Fever, in Van Dieman's Land.

Copy of a Letter inserted in the Hobart Town Courier of the 1st of March, 1851, by Maj. J. Walch.

Margaret McCunnigan 19 years of age, residing at New Town, had been suffering from a violent Rheumatic Fever for upwards of two months, which had entirely deprived her of the use of her limbs.—During this period she was under the care of the most eminent medical men in Hobart Town, and by them her case was considered hopeless. A friend prevailed upon her to try Holloway's celebrated Pills, which she consented to do, and in an incredible short space of time they effected a perfect cure.

Cure of a Pain and Tightness in the Chest and Stomach of a Person 84 years of age.

From Messrs. Thew & Son, Proprietors of the Lynn Advertiser, who can vouch for the following statement, Aug. 2nd, 1851.

For some years I suffered severely from a pain and tightness in the stomach, which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of life, these Pills have so relieved me, that I am desirous that others should be made acquainted with their virtues. I am now rendered by their means, comparatively active and can take exercise without inconvenience or pain which I could not do before.

Sept. 13. FREEMAN & HOUSTON.

CARTER'S SPANISH MIXTURE,

THE GREAT PURIFIER OF THE BLOOD.

Not a Particle of Mercury in it.

An infallible remedy for Scrofula, King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Postules on the face, Blotches, Boils, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Disorders, Lumbago, Spinal Complaints, and all diseases arising from an injudicious use of Mercury, Imprudence in Life, or Impurity of the Blood.

This valuable Medicine which has become celebrated for the number of extraordinary cures effected through its agency, has induced the proprietors, at the urgent request of their friends, to offer it to the public, which they do with the utmost confidence in its virtues and wonderful curative properties.—The following certificates, selected from a large number, are, however, stronger testimony than the mere word of the proprietors: and are all from gentlemen well known in their localities, and of the highest respectability, many of them now residing in the city of Richmond, Virginia

F. BOYDEN, Esq., of the Exchange Hotel, Richmond, known every where, says he has seen the Medicine called Carter's Spanish Mixture administered in over a hundred cases, in nearly all the diseases for which it is recommended, with the most astonishingly good results. He says it is the most extraordinary medicine he has ever seen.

Ague and Fever—Great Cure.—I hereby certify, that for three years I had Ague and Fever of the most violent description. I had several Physicians, took large quantities of Quinine, Mercury, and I believe all the tonics advertised but all without any permanent relief. At last I tried Carter's Spanish Mixture; two bottles of which effectually cured me, and I am happy to say I have had neither Chills or Fevers since. I consider it the best Tonic in the world and the only medicine that ever reached my case.

JOHN LONGDEN,
Beaver Dam, near Richmond, Va.

C. B. LUCK, Esq., now in the city of Richmond, and for many years in the Post Office, has such confidence in the astonishing efficacy of Carter's Spanish Mixture that he has bought upwards of 50 bottles, which he has given away to the afflicted. Mr. Luck says he has never known it to fail when taken according to directions.

Dr. MINGE a practising Physician, and formerly of the City Hotel, in the city of Richmond, says he has witnessed in a number of instances the effects of Carter's Spanish Mixture which were most truly surprising. He says in a case of Consumption, dependent on the Liver, the good effects were wonderful indeed.

SAMUEL M. DRINKER, of the firm of Drinker & Morris, Richmond, was cured of Liver complaint of 8 years standing, by the use of two bottles of Carter's Spanish Mixture.

Great cure of Scrofula.—The Editors of the Richmond Republican had a servant employed in their press room, cured of violent Scrofula combined with Rheumatism, which entirely disabled him from work. Two bottles of Carter's Spanish Mixture made a perfect cure of him, and the Editors, in a notice, say they cheerfully recommend it to all who are afflicted with any disease of the blood."

Still another cure of Scrofula.—I had a very valuable boy cured of Scrofula by Carter's Spanish Mixture. I consider it a truly valuable Medicine.

JAMES M. TAYLOR,
Conductor on the R. F. & P. R. R. Co., Richmond Va.

SALT RHEUM OF 20 YEARS STANDING CURED.

Mr. JOHN THOMPSON, residing in the city of Richmond, was cured by three bottles of Carter's Spanish Mixture, of Salt Rheum, which he had nearly 20 years, and which all the physicians of the city could not cure. Mr. Thompson is a well known merchant in the city of Richmond, Va., and his cure is most remarkable.

SARSAPARILLA

IN QUART BOTTLES.

For Purifying the Blood, and for their cure of Scrofula Rheumatism, Stubborn Ulcers, Dyspepsia, Salt Rheum, Fever Sores, Erysipelas, Pimples, Biles, Mercurial Diseases, Cutaneous Eruptions, Liver Complaint, Bronchetis, Consumption, Female Complaints, Loss of Appetite, General Debility, &c., &c.

In this preparation are strongly concentrated all the Medicinal properties of Sarsaparilla, combined with the most effectual aids, the most salutary productions, the most potent simples of the vegetable kingdom; and the combination is such that one modifies and improves the other, producing a compound differing entirely in its character and properties from any other preparation and unrivaled in its operation on the system when laboring under disease. The many well authenticated cures of Scrofula of the most malignant character, have given it a wide and deserved celebrity. But it is not alone in Scrofula, nor in the class of diseases to which it belongs, that this preparation has been found beneficial. It is a specific in many diseases of the skin, and may be administered with favorable results in all; and it has been so fully tested, not only by patients themselves, but also by physicians, that it has received their unqualified recommendation and the approbation of the public; and has established on its own merits a reputation for value and efficacy far superior to the various compounds bearing the name of Sarsaparilla. The following testimonials are selected from among the multitude of those we are daily receiving; and for further confirmation, the reader is referred to the Family Recipe and Medical Almanac, furnished gratuitously by all our agents.

The following was sent to our Agents Messrs. W. A. WALDRON & CO., who are personally acquainted with the writer.

WATERFORD, N. Y., NOV. 20, 1850.

Messrs. SANDS.—Gentlemen,—About three months since, the disease called "Beard, or Barber's Itch," appeared on my face, and as it is of rare occurrence—no case as yet having come under the care of our Village Physicians, I found it very difficult even to stop the progress of the disease on my face, although I tried remedies that had cured from the pimples on a child's face to the galled breast of a canal horse; and even pulled out my beard on the side of my face and chin. A short time since, a friend told me that he had it for two years, and tried different remedies without success, but finally cured it in a short time, by the use of Sands Sarsaparilla. On this recommendation, I bought one bottle, and finding I received benefit from it, I continued its use until I am now perfectly cured. I am led to bring this to your notice gratuitously, from the fact, that the disease is not named in the list of complaints for which the Sarsaparilla is a remedy; and that you may be able confidently to recommend it for such cases.

Yours truly, GEO. E. SCOTT.

REMARKABLE CURE OF BRONCHITIS.

NEW YORK, Feb. 17, 1849.

Messrs. SANDS:—Having suffered many years with a disease of my throat, affecting the larynx, during which time I was treated by the most distinguished physicians in Europe and the United States, without receiving any permanent benefit, but all the time my general health and strength declining, and the disease making fearful progress: caustic applications were used, and whatever else was thought most efficient for producing a cure; but I am confident the deplorable situation I was in, the laryngitis being accompanied with phthisis and great difficulty in breathing, would soon have terminated my life, had I not obtained relief through the medium of your invaluable Sarsaparilla. I must say gentlemen, when I commenced using the Sarsaparilla I did not place much confidence in its virtues; and this will not surprise you, when you are informed I had tried more than fifty different remedies during the past four years, without any success; but after taking your Sarsaparilla a few weeks, I was obliged at last to yield to evidence. This marvellous specific has not only relieved but cured me; and I therefore think it my duty, gentlemen, for the benefit of suffering humanity, to give you this attestation of my cure. Yours, very truly,

D. PARENT.
