"And The Walls Go Rumbling Up"

The lower level maintenance area is almost complete. Top level will be for arts and crafts and classrooms.

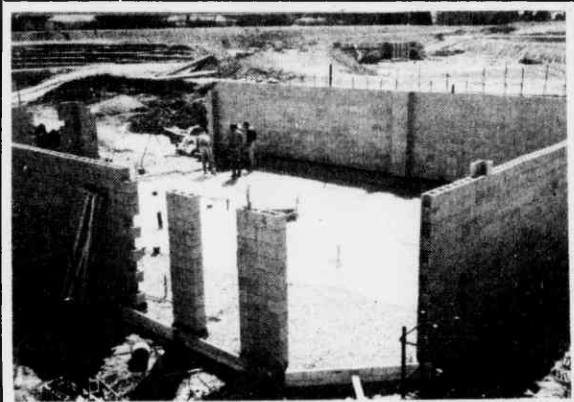

Raquetball courts getting ready to have floor poured.

Blowing cement to make walls of indoor pool.

Indoor pool complete with sides now waiting to be tiled.

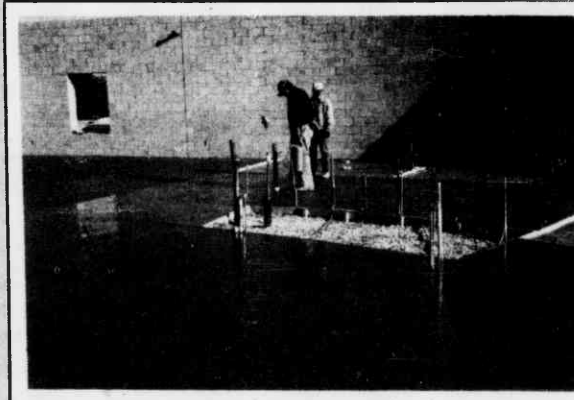

Outdoor pool bath house being prepared for the pouring of a floor.

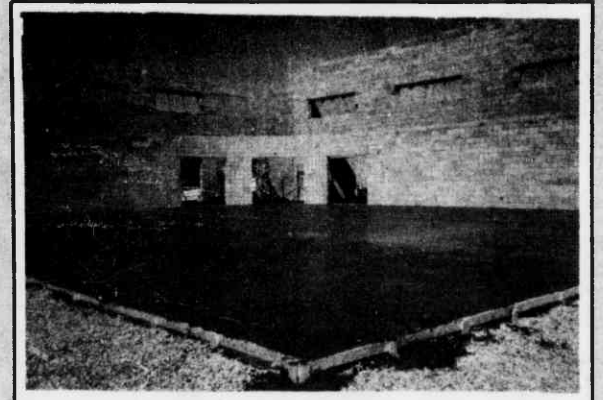

Put it on the ground—or, in this case, the gym floor.

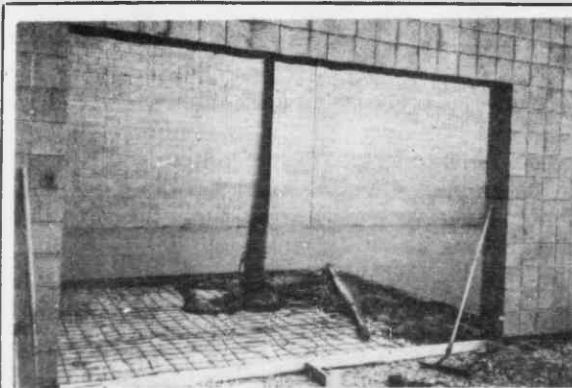

Spread it all around.

Water it just so.

And watch our fitness center grow.

A flexible hose, suspended from giant overhead crane, depositing concrete in the section of the handball courts.
