Rotary International President Coming To 58th District Soon

Waynesville Rotarians have received from Fred Dalton, Governor, Dr. Roy Z. Thomas of Rock Hill, details of the meeting at Rock Hill January 27th when Clarence P. Anderson of Albuquerque, New Mexico, President of Rotary International, will visit Rotarians of the Rotarians at the first visit of an International President to the Rock Hill District Meeting.

Members of the club will take pleasure at attendance of the district meeting and doubtless there will be well represented.

Tentative plans for greeting Clarence P. Anderson call for an informal reception in the parlors at Winthrop College. The Rotarians and their wives will then gather in main auditorium where visiting committee will introduce and where Mr. Anderson will speak. All Rotary Anns are also invited.

Dr. Thomas who has visited Waynesville's club has urged that local members attend and has advised that the Rock Hill meeting may be substituted for the regular meeting.

Prior to the celebrations at Winthrop College, a good hot luncheon will be provided at the Andrew Jackson Hotel. This is optional.

CARD OF THANKS

I wish to express my appreciation and the appreciation of members of the family to our many friends for their floral offerings and for their sympathy and kindness during the illness and death of my husband.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

To take those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at all stores. © 1931 C. M. Co.
