established in February of 1942, the force is now 20,000 men strong, and operates 60 ships of different types.

Units of PHIBLANT successfully spearheaded every major allied amphibious invasion in North Africa and Europe during World War II.

The Force's 25 years in existence reflect a history of military preparedness and humanitarian relief in many lands bordering on the Atlantic Ocean and the Caribbean and Mediterranean Seas. It has won praise time and again for contributions to peace and its important part in proving that the Amphibious Force is indeed a "Vanguard in Peace and a Spearhead in War".

the Health Career Club of which she is advisor. She told of the upcoming trip to Goldsboro where the local club would compete with other state clubs for the scrapbook award, the club of the year award and present three candidates for state offices.

Mrs. Cobb announced the district meeting will be April 16 in Tarboro and urged a large attendance, especially since we will be sponsoring Miss Becky Hobbs for the Young Career Woman of 1967.

The April dinner meeting will be at the home of Miss Hulda Wood.

Honor Is Won

The overall purposes of the district and state contests are: Land is one of the most valuable resources in the world. Hundreds of thousands of acres of once productive farm land are being converted to non-farm uses each year. It is, therefore, becoming more and more imperative that present and future generations have a greater understanding of and appreciation for the land.

Instruction in vocational agriculture and land judging meets provide opportunities for students to develop appreciations, understanding and abilities with respect to (1) classifying soil according to its physical characteristics and (2) using and managing soil according to its capabilities.

CARD OF THANKS

We wish to express our thanks to each of you that were so kind to us during the recent illness and death of our beloved wife and mother. Your cards, gifts, flowers and food have been greatly appreciated. May God bless each of you.

Please Note Carefully

We, the members of the Credit Information Department of The Associated Oil Dealers, find that we are carrying many fuel oil and kerosene accounts that have become delinquent. We want to continue making the necessary deliveries, BUT POSITIVELY CANNOT, UNLESS THESE ARE BROUGHT UP TO DATE PROMPTLY.

This ruling in no way applies to that very large number of customers who are paying their accounts on regular terms, and whose consideration is highly appreciated.

We are anxious to cooperate in every way possible.
