GEO. E. NISSEN & Co., Salem, N. C.

THE REASONS WE CAN AND DO MAKE THE BEST WAGONS ARE: We keep a very large stock of seasoned lumber, sawing most of it on our own mills, and using only the best for wagons; the iron is made especially for us by the best works in Pennsylvania; the workmen have had many years experience; then it being a settled fact that we make the best, we can make it cheaper than any one else, quality considered Our advantages are sawing the lumber ourselves, buying iron, paint, varnish, &c., mostly by the car load at bottom cash prices.

We are manufacturers' agents for the best Thimble Skein made, being of best wrought steel, perfectly welded, and cannot break. We make the only brake on running gear that is worth hauling.

Write for prices. Every wagon bearing our name is fully warranted.

P. S.—We will keep a good assortment of Wagons in the warehouse in rear of J. E. Gilmers, and he will attend to selling them in our absence. ap16'85
