Snow castles

Paul Elliot (left) and Brian Owens built a huge castle from the snow on Wednesday afternoon and trimmed it up in orange paint.

Pirates upset, then snowed out

The Perquimans Pirates were upset by Camden last Tuesday night, 53-39.

Perquimans hit only 13 of 57 attempts from the floor in falling to the 6-13 Bruins. Mike Holley scored nine points and snatched 11 rebounds in the loss.

The Pirates fell to 5-6 conference, 10-7 overall.

The Lady Pirates also fell at Camden, stung by the 26 point shooting performance of Camden center Dirlene Cowell, 56-39. Bathsheba Ormond led Perquimans with 10 points.

The Pirate Jayvees continued to roll, however, with an 87-56 victory. Troy Jackson poured in 27 points in the Pirates' eleventh straight conference win.

Robert Mallory followed with 17 points.

Friday night games with Gumberry were cancelled due to snow, but tournament action got under way this week as scheduled, with the varsity playing Tuesday night, the girls playing Wednesday night, and the jayvees playing Thursday night(tonight).

Youth corps recruiting summer workers

Applications are now being accepted for the 1980 Youth Conservation Corps program which will be operated in 23 sites throughout North Carolina this summer. The program combines conservation work with environmental education and pays approximately $90 per week to participants.

To be eligible an applicant must be at least 15 years of age before June 1, 1980, and not reach 19 years of age before August 30, 1980. The camps will run between six and eight weeks, and they are open to youths who have not participated in Youth Conservation Corps programs for more than three weeks in the past.

Applications may be obtained from school principals, local Job Service offices, local parks and recreation departments and other youth service agencies.

Participants will be selected at random by a computer operated by the federal government. All applications must be submitted by March 15, and every applicant will be notified about whether his or her name has been selected by April 15.

Both resident and non-resident camps will be operated this summer. Resident camps will be located in the following areas: Burlington, Blowing Rock, Cherokee, Western Carolina University and Camp LeJeune.

Additional information and applications may be obtained by contacting Howard B. Pullen, State YCC Recruiter, NC Department of Natural Resources and Community Development, Division of Parks and Recreation, P. O. Box 27687, Raleigh, N. C. 27611, telephone: (919) 733-7701.

Rec happenings

BILLY WOOTEN

In midget action last week, the Bucks and the Nuggets remained tied for first place with victories over the Falcons and the Devils. This week, the midgets will play on Friday night and Saturday morning.

In adult league action, the Hornets remain one game ahead of the 76ers. There are four games left before the tournament.

Girls and women's volleyball will be starting soon. Make your plans to play. Girls 10 through 14 are eligible for volleyball. More information will be released next week.

The midget and junior teams who went to Snow Hill had a good trip, even though we lost all three games. We hope for better luck next time.

Make your plans to watch the Olympics.

See ya' next week!

Library news

Love is the theme of a special Valentine's Day film program for third to eighth graders. Films will include "It Must Be Love Cause I Feel So Dumb," "The Question," and "Hewitt's Just Different." The program will begin right after school. We'd love to see you there!

Please call the library for the bookmobile schedule (426-5319)

Story hour is held Fridays 10-11 a.m. for children ages 3-5.

QUESTIONS FOR THE WEEK

Q: How many Christians are there in the world and what is the religon with the next largest number of adherents?
A: Christianity has a billion followers. Islam is second with half this number.
Q: Is a fillip part of a flower?
A: No. A fillip is the act of snapping your fingers.

Send your questions to: Library, 110 W. Academy Street, Hertford, N.C. 27944.

DEAR JIMMY, JERRY, HOWARD, TEDDY, JOHN, RONALD, PHILIP AND GEORGE:

Another four years have passed and now it's campaign time again.

You fellows are out and about . . . shaking hands and kissing babies. You jet in, motorcade around and drop a few promises. Then, before we know it, you've dropped **us** for another four years. If it weren't for the evening news, most of us wouldn't even know that you'd been here.

But, that's simply not enough this time around. We want more.

Inflation has been hitting pretty hard in this area. And we can't help but believe you folks in Washington have something to do with that. More importantly, we think you could do something to turn it around. Right now!

North Carolinians like to prepare for the future. We like to have a little money in savings "just in case." But, at the current rate of inflation, that's almost impossible to do. Even when we **can** put a little aside in our Savings and Loan, you tax us on the interest. Now, is that fair? Not to us!

Some folks in Congress have gotten the message. And, they've tried to provide incentive for saving. We hope you've been listening to them. It might mean a few more votes down this way.

Before you leave for another four years, we want you to tell us just what you plan to do to help us prepare for the future. We're ready to listen. And, we're ready to help whichever one of you is willing to give us a tax break.

We just think it's time you showed a little **interest** in savers.
