FOR THE BLOOD

Swift's Specific has been the means of bringing health and happiness to thousands who were pronounced incurable of Blood and Skin Diseases.

HEAR THE WITNESSES.

Saved From a Horrible Death.

Up to May last I had spent at least five hundred dollars for treatment by many of the best medical men, without any benefit. I suffered excruciatingly, and all my best friends advised me that the icy hand of death was fast approaching. I caught at S. S. S. like a drowning man at a straw. After taking two bottles I could feel a change for the better. The sores began to discharge freely and the rheumatism to abate. When I had taken six bottles every sore had healed and my skin began to assume a natural appearance. I persisted until I had taken twelve bottles, large size, and there is not a symptom of the disease remaining, and I feel as well as I ever did. I have gained twenty-one pounds in flesh, and my friends wonder at my improved condition. I have recommended it to many, and in every instance with complete success. I believe that S. S. S. has saved me from a horrible death.

C. H. SMILEY, Quincy, Ill.

I am sure that Swift's Specific saved my life. I was terribly poisoned with malaria, and was given up to die. Swift's Specific relieved me promptly and entirely. I think it is the greatest remedy of the age.

C. G. SPENCER, Sup't Gas Works, Rome, Ga.

Write for a copy of the little book—free. $1,000 REWARD will be paid to any chemist who will find, on the analysis of 100 bottles S. S. S., one particle of Mercury, Iodide Potassium, or any mineral substance.

IN MEMORIAM.

DEDICATED TO MY FRIEND, MRS. M. A. HUNTER.

Loved friend, how peaceful is thy rest,
As round thy silent form we weep
Our aching hearts are crushed with grief.
They tell me, this is death's cold sleep.
Oh broken ties of earthly love,
O hearts bow'd down in bitter pain,
Your anguish will be healed above
Where death can never come again.

The dying sunset seemed to linger
Just to catch her latest breath
E'er the cold mysterious finger
Sealed her eye-lids down in death.
Silence, her loud burst of weeping
Can disturb her perfect rest.
Care, and pain alike are sleeping
In her dear and peaceful breast.

Loving heart now stilled forever;
Faithful friend so loved by all,
Thou hast crossed death's sea long river
At thy heavenly Father's call.
Thy loved memory ne'er can perish,
All will miss thy loving ways
None knew thee but to cherish
And give thee love and praise.

The bitter pain of parting,
The mingled sighs and tears
Will cease when angels bear us
Beyond this world of cares.
And one by one we enter
The pearly gates, where blest
Saints and angels welcome
The weary soul to rest.

Home, friends, and kindred miss thee,
Thy gentle smiles and words of love.
As years roll on we'll meet thee
At home, in heaven above.
In anguish we have bowed and wept,
As in death's clasp, she lies,
We kiss the pallid lips and brow,
When death has severed earthly ties.

The golden harp is tuned to strike
Sweet songs of praise to God;
A solemn stillness guards the path
Her feet on earth have trod.
Gently lay our loved to rest.
God guards the sacred tomb.
Sweet immortelles now crown her brow
Beyond earth's solemn gloom.

SOUTH CAROLINA NEWS.

About one month ago, a package of $1000 in bank bills was stolen from the First National Bank of Charleston, and the work of a detective led to the arrest of John Robinson the colored porter of the Bank. After lying in the station house awhile, he confessed and the money was found; whereupon Robinson was released by the prosecutors. But Trial Justice Gleason seeing this, sent out another constable and had Robinson rearrested and committed to jail.

There is to be erected on Sullivan's Island a first class hotel with bathing rooms, billiard rooms, &c. It is said there is never a warm night on the Island in summer nor a cold one in winter.

The army worm which is said to be appearing in large numbers in South Carolina is pronounced by experienced judges, the genuine cotton caterpillar.

A negro named Henry Toole, *alias* Williams, shot and killed an unknown colored man in Aiken county last week, probably in self defence.

The colonization of the lower part of South Carolina by negroes as projected in Washington city is pronounced a fraud by prominent colored men in Charleston.

"I Ate Some Soft Shell Crabs."

This is what Captain Hodgden said when speaking of an unpleasant experience he had on board ship, near Washington. He added: "The bad effects of which I soon felt." Then he went on to say that he had severe pain, followed by a terrible attack of dysentery. Those wicked crabs would have been the death of him, but for the fact that he always carried Pain Killer on board his vessel. Have Perry Davis's Pain Killer at hand by day and by night for sure relief.

The Heartless Wretch.

New York Mercury.

It will pain a good many people to learn that Attorney General Brewster, who masquerades as an apostle of protection to American labor, imports from London his wonderful coats and marvelous pants, together with other portions of his attire. The ruffles of his shirts and his coats of arms alone are manufactured in this country. That a man from Pennsylvania should have so little compassion on our infant industries is enough to wring tears from Bessemer steel.

The Rosadalis

Is a potent remedy in all chronic diseases; but in these diseases it will require long continuance in the use of the medicine in order to carry out of the system all the poisonous humors from the blood.

Rosadalis is a sovereign remedy for all diseases of the blood. It has no equal for the cure of nervous disorders. Read this certificate:

BALTIMORE, July 10, 1879.

I would like to bear testimony to the merits of Rosadalis, by saying that some eight years ago I was totally prostrated and could get no relief from our family physician, but after taking one bottle of Rosadalis I became entirely restored to health. I now weigh 175 lbs., but when I first took your medicine I weighed only 130. I cheerfully recommend it to all, and especially to those afflicted with nervous debility.
