CUBA AND THE CUBANS.

The convention of thirty-one that the Administration has called is to meet in Havana next week, and all evidence at hand goes to show that it will be controlled by a lot of adventurers who have small interests in the island. They are, as a rule, professional agitators and demagogues. Some of them are negroes, full-blooded, and a majority of them have negro blood in their veins. The radical section or group of the island will undoubtedly control the convention, and they have already given notice that they will listen to nothing that abates in the least absolute independence. They do not propose to consider the cost of the war for their freedom to the United States, or the responsibility this country would be under for bridging into existence the Cuban republic.

One of the first duties of the convention will consist in determining the relations of the new republic and the United States, and here trouble is sure to arise if the radicals go on unchecked; for no constitution can go into effect until it is approved by Congress. Altogether it is very improbable that the convention of thirty-one, mostly radicals, will be able to do anything of a permanent or satisfactory nature. Their work will doubtless be rejected and the entire problem will go over to some date unknown and at present very indefinite.

Brave Men Fall

Victims to stomach, liver and kidney troubles as well as women and all feel the results in loss of appetite, poisons in the blood, backache, nervousness, headache and tired, listless, run down feeling. But there's no need to feel like that. Listen to J. W. Gardner, Leaville, Ind. He says "Electric Bitters are just the thing for a man when he is all run down, and don't care whether he lives or dies. It did more to give me new strength and good appetite than anything I could take. I can now eat anything and have a new lease on life." Only 50 cents at J. H. Hill & Son's drug store. Every bottle guaranteed.

Do not get scared if your liver troubles you. Most likely yours is from indigestion. Kodol Dyspepsia Cure digests what you eat and gives the worn out stomach perfect rest. It may be taken in all conditions and cannot help but do you good.—J. H. Hill & Son.

DR. H. MOZLEY, Atlanta:—Having been a great sufferer for three years from indigestion, and been treated by many physicians, who failed to give me any relief. Continually to grow worse, my brother advised me to try Dr. Mozley's Lemon Elixir, which remedy he had used for several years. I commenced its use, and must say that your Lemon Elixir is the greatest medicine on earth. I have never suffered a day since I commenced using Lemon Elixir.
