A pardon is granted by the Governor for Ernest Porter serving a two years sentence from New Hanover county for seduction under promise of marriage. The judge and the father of the prosecutrix were among those who asked for the pardon.

The Governor has decided to pardon William Caudle, serving four months on the roads in Wilkes county for larceny. He says the sentence is the minimum that can be imposed for larceny and he can see no reason for executive clemency.

MASS OF SORES

Awful Suffering of Little Boy from an Itching Humour

CURED BY CUTICURA

Not One Square Inch of Skin on His Whole Body Unaffected

"My little son, a boy of five, broke out with an itching rash. Three doctors prescribed for him, but he kept getting worse until we could not dress him any more. They finally advised me to try a certain medical college, but its treatment did no good. At the time I was induced to try Cuticura he was so bad that I had to cut his hair off and put the Cuticura Ointment on him on bandages, as it was impossible to touch him with the bare hand. There was not one square inch of skin on his whole body that was not affected. He was one mass of sores. The bandages used to stick to his skin and in removing them it used to take the skin off with them, and the screams from the poor child were heart-breaking. I began to think that he would never get well, but after the second application of Cuticura Ointment I began to see signs of improvement, and with the third and fourth applications the sores commenced to dry up. His skin peeled off twenty times, but it finally yielded to the treatment. Now I can say that he is entirely cured, and a stronger and healthier boy you never saw than he is to-day." ROBERT WATTAM, 4922 Center Ave., Chicago, Ill., Dec. 30, 1897.

SIX YEARS LATER

Mr. Wattam writes

"Your letter of the 21st in regard to the case of my little boy at hand. I am truly thankful to say that the cure effected by the Cuticura Remedies has been a most thorough and successful cure to date." Chicago, Feb. 23, 1903.
