Afterschool Care Program

The JCC invites your elementary school child to participate in afternoons of fun and learning in our new afterschool care program. Beginning September, 1985, the JCC will provide afterschool care from two to six o'clock every Monday through Friday. In addition to a snack and homework session, children will play inside and out with their peers. The program will be staffed by a caring, experienced staff person, supervised by the JCC's Director of Children's Programs, Irene Komor. Call the JCC for further information at 366-0357.

Dale Gandall, the new leader for Clubs 23 & 46.
