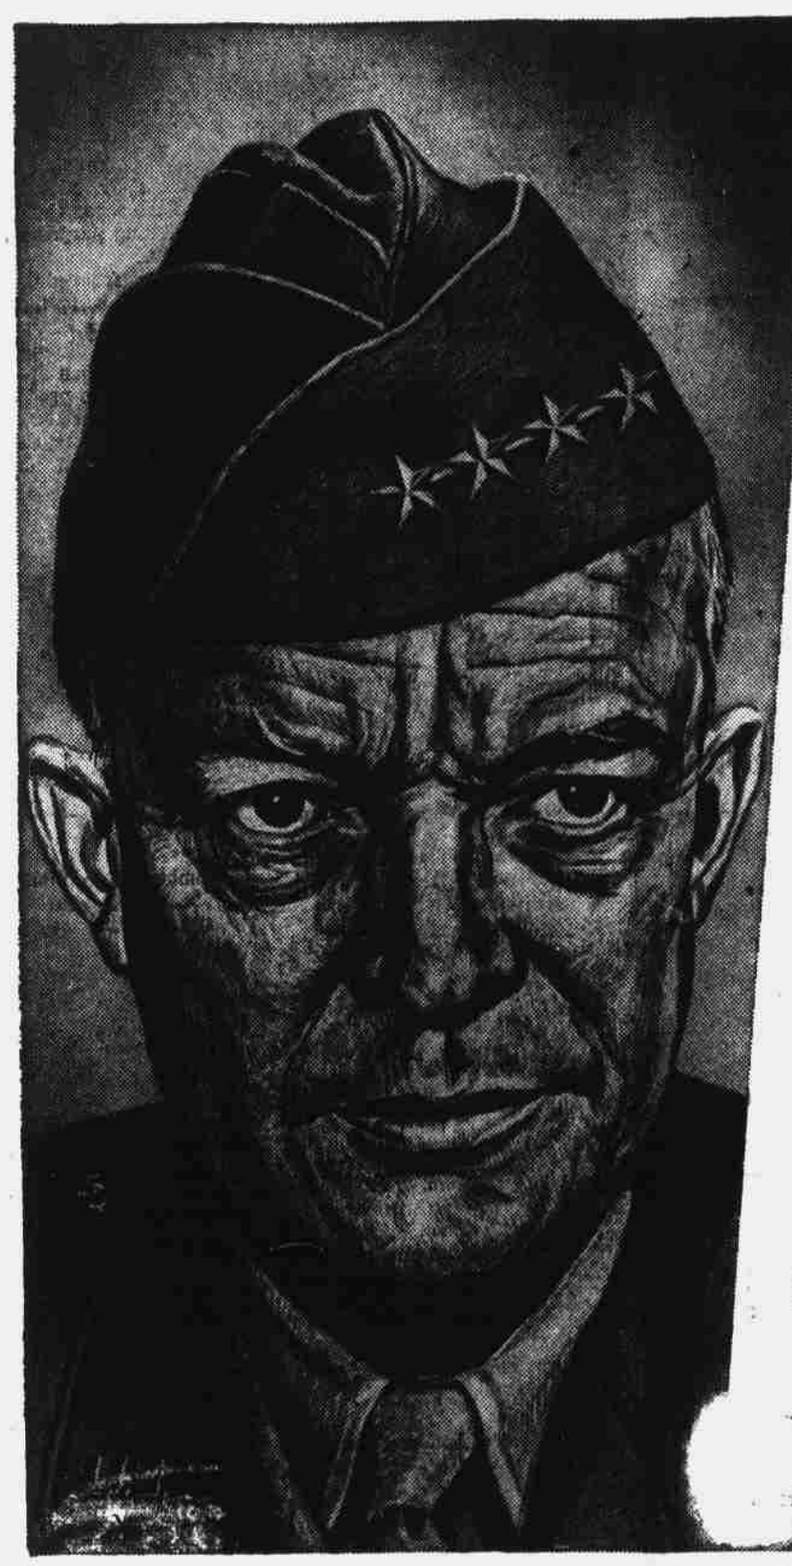
Ask General Eisenhower what your RED CROSS is doing for our Fighting Men



GENERAL "IKE" knows—better than anybody else—how many of his wounded G.I. Joes are saved from death by life-saving Red Cross Blood Plasma!

He knows how a young soldier worries when there's no news from loved ones—or bad news—and how his spirits rise when a special Red Cross Home Service message says everything is O.K. at home.

General "Ike" knows the way a bombing crew, back safe from a perilous mission, go for the coffee and doughnuts the Red Cross girls serve! He knows how the Red Cross is *always* on the job at the front—day and night—to make G.I. Joe's life a little more like the life he left—back home in the U.S.A.

And this is what General "Ike" says about the Red Cross:

"We simply couldn't get along without it. I consider the Red Cross an auxiliary of my army. They are doing a perfectly magnificent job in every way."

ASK G.I. JOE

He'll tell you what the Red Cross does for him—and how! Listen to this boy's letter to his dad:

"Pop, whenever the Red Cross comes to you for money, give what you can spare, as they are wonderful to us."

And here's another:

"Dad, if you help anything or anybody, please give to the Red Cross because they help us. Plenty! If it wasn't for them, I don't know what our overseas soldiers would do. So Dad, do as I say. Help the Red Cross just for me!"

ASK YOURSELF

Ask yourself: "Have I done as much as I can for *my* Red Cross—which is at my boy's side—ready to aid, comfort and cheer him?"

You *can't* do too much to help the devoted workers in this great Army of Mercy—who risk their lives over and over again to bring our millions of G.I. Joes the proof that they are not forgotten by their home folks.

The Red Cross is doing *your* job—doing for your boy what *you* can't do. But you *can* help by giving *more* to the Red Cross *now*. Its job is stupendous—and it's growing bigger.

Give as much more as you can—*today!*

GIVE *NOW*— GIVE *MORE*

KEEP YOUR* RED CROSS *AT HIS SIDE
