Do you really want your brother-in-law to know how much you earned last year?

Of course not. It's nobody's business but your own.

However, annually millions of taxpayers bear this kind of personal information to people who really shouldn't know. For what? Just so they can save a few dollars doing their income tax.

That's some price to pay.

You see, for only a few dollars more than it costs to do it with any amateur who might not know that work clothes in some instances are deductible, or that income averaging might save tax dollars, you can have your tax return done by a specially trained member of the H & R Block team with complete confidentiality. There are thousands of them in over 6,000 conveniently located offices. H & R Block's fees start at $5 and the average cost was under $12.50 for the 7 million families we served last year.

Furthermore, if your return is audited we will accompany you, at *no extra cost*, to the Internal Revenue Service and explain how your return was prepared, even though we will not act as your legal representative.

This means that H & R Block is ready to offer you year 'round tax service for just one low fee a year, with no extra charge for audits and estimates.

Yes, we cost a little bit more than your relatives or friends or neighbors but when you think of what we deliver, you can't afford anything less than H & R Block.

DON'T LET AN AMATEUR DO H&R BLOCK'S JOB.

H&R Block.
The income tax people.
