Spirit Raiser

Chassidic Festival comes to Charlotte at Spirit Square.

contest for the best music set to Biblical verses. However, due to the overwhelming response, the course of history changed for this musical event. Since then, composers from all over the world have entered their works in this spirited competition. Top Israeli performers present these songs to the people of Israel who select the winners.

The festival attained immortality as its songs became part of the daily services. Passages of the prayers which were recited for hundreds of years are now being sung to new melodies which originated in the Chassidic Festival. Sixteen festivals have produced 16 LP record albums with 160 new songs. More than half of these songs have made the Israeli Hit Parade and have become well-known the world over. Among the hits are: "Osseh Shalom," "Shema Israel," "Adon Olam" and "Malchutcha."

On previous American tours, the Festival was described by the *New York Post* as "Something of a miracle." The *New York Times* wrote "These Israeli ballads have an infestiously open spirit as well as the foot-tapping rhythmic lilt so characteristic of the country's many dances." Michael Lachetta of the *New York Daily News* wrote "...the sight and sound of Israel's top entertainers."

So... when the curtain goes up and the stars come out dancing, and the songs fill the air with ancient verses, make sure you're there - make sure you don't miss it.

Come experience Israel without leaving town!
