## B'nai B'rith Women

### Ha Lailah

#### Monthly Meeting

Ha Lailah's monthly meeting was held in Temple Beth El's fellowship hall. Sitting on the floor and dressed very comfortably, members and guests were taught some basic steps in self defense by our own Sandra Pernell and by Jerome "Magic" Johnson of the Jerome and Roberts American Karate School. The large turnout proves just how interested women are in the art of self defense.

#### Safety Awareness — Festival in the Park

In conjunction with WSOC, Ha Lailah spent a very meaningful night at the park. Volunteers helped fingerprint children and explained the importance of what they were doing for both the children and parents. A special thanks goes to Jerome "Magic" Johnson and his friends for chaperoning the ladies of Ha Lailah and especially for making all the kids smile.

#### Fund raising

Once again Ha Lailah will have entertainment books for sale. For more information call Brenda Manes, 364-9338.

#### November Meeting

Have you ever wished for a new you? Next month's meeting will be your chance. Ha Lailah will have a fashion makeover from Iveys.

For more information about Ha Lailah and our programs please contact Wendy Rosen 847-3841.

#### Parenting With A Purpose

The next class entitled "Television and Your Child"

will be presented by Hetty Wilson of the Red Cross on November 21 at 10 a.m. Babysitting is provided. Please call Judy Miller, 542-5921, for a reservation.

For those of you who have not attended "Parenting with a Purpose" classes, we are sure you will find them informative and of benefit to you and your family.
