Kilim

Eagle Kazak

Walk into Coley Oriental Rug, and you'll not only feel like you're in another country. You'll feel like you're in another century.

We have Indian dhurrie rugs in stock that have been handwoven the same way for literally hundreds of centuries. We have Oriental rugs featuring intricate patterns which have been handed down through generations of Iranian families. We have Romanian kilims whose counterparts have graced palace floors across the East throughout history.

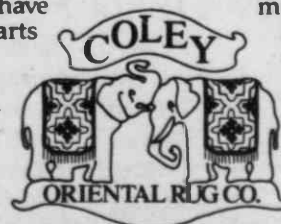

In all, there are rugs from ten dif-

ferent countries here. All handwoven. All representing countless years of tradition.

And although each rug embodies hundreds of man-hours of labor, the prices are not exorbitant. In fact, the rugs pictured sell for \$240, \$169, and \$1250 respectively in 4' x 6' sizes. And special financing is available which allows you to spread your payments out comfortably.

So come see our complete selection of Oriental rugs soon.

We'll set you back 10,000 years. Without setting you back a fortune.
