

WTVI Repeats Special "Heritage" Series

Heritage: Civilization and the Jews which aired last year and met with much acclaim has been brought again to WTVI (channel 42). The 9-part series of 60-minute programs had its first episode on January 25. Subsequent programs will air on Saturdays at 3 p.m. Included this time will be the addition of "The Bill Moyers HERITAGE Conversations." These will follow the fourth and ninth episodes. (Check for local listings).

The series is a monumental production chronicling over 3,000 years of Jewish history in the context of other Western civilizations. Filmed and researched over four years in more than 18 nations on four continents, HERITAGE, hosted and narrated by Abba Eban, uses art and artifacts, historical sites, and primary literary sources to tell its story. The series investigates the origin and evolution of attitudes and practices that have become the heritage of all Jewish men and women today.

The order of presentation is as follows:

1. "A People is Born" (13th Century B.C.E. to 6th Century B.C.E.)
2. "The Power of the Word" (6th Century B.C.E. to 2nd Century C.E.)
3. "The Shaping of Traditions" (1st to 9th Centuries)
4. "The Crucible of Europe" (9th to 15th Centuries)
5. "The Search for Deliverance" (1492-1789)
6. "Roads from the Ghetto" (1789-1917)
7. "The Golden Land" (1654-1932)
8. "Out of the Ashes" (1917-1945)
9. "Into the Future" (1945-Present)

Abba Eban, former Israeli Ambassador to the United States and the United Nations, is the on-camera host and narrator for the encore presentation of the monumental nine-part series, **HERITAGE: CIVILIZATION AND THE JEWS**, which returned to public television January 25. The series won three Emmy Awards, a Peabody Award, and a CINE Golden Eagle Certificate, among other awards. This is a college television course licensed by the PBS Adult Learning Service.

Filmed in part of the old Jewish quarter in Cracow, Poland (lower left), **The Search for Deliverance**, Episode Five of **HERITAGE: CIVILIZATION AND THE JEWS**, encoring on public television Thursday, February 20 (check local listings), encompasses the complex European Jewish experience from the expulsion from Spain in 1492 to the French Revolution in 1789. Shown here at upper left are two followers of Hasidism, a Jewish movement founded by Ba'al Shem Tov in the 18th century. In conjunction with this encore presentation of the Emmy Award-winning series, journalist Bill Moyers will host two all-new interview programs discussing issues raised in the original 1984 broadcast. Mr. Moyers appears with the permission of CBS News.

Van Update

The JCC is pleased to announce we have purchased a beautiful, new 16-passenger van. A driver has been hired, and we are ready to put the van into action beginning with transportation for the Chai-Lites and children's trips.

We are grateful to those who have contributed to the Van Fund and are still seeking contributors. All donations are deeply appreciated.

RONCO
Automatic underground lawn sprinkler systems installed by professionals or do-it-yourself with free training and design.
