Temple Israel Sisterhood Adopts A Family

As part of a community service project, Temple Israel Sisterhood has "adopted" a Jewish single parent family with three children. Jewish Social Services selected the family and will serve as the intermediary with Sisterhood. The family's identity will remain anonymous.

The Sisterhood will be responsible to help provide them with food, clothing and gifts for special occasions. Anyone wishing to contribute may do so.

This is the first of many social action projects to be supported by Sisterhood. We look forward to helping the community in a variety of ways throughout the year.

B'nai B'rith's New Nursing Home Insurance protects you against the single greatest threat to your life savings.

"When it comes to insuring against the single greatest threat to their life savings and emotional reserves—the costs of long-term care—Americans have no protection."
Hearing before the Special Senate Committee On Aging

B'nai B'rith's new nursing home plan is designed to help meet the reality of today's staggering nursing home costs. This affordable plan can protect your savings and income:

- A Choice of Benefits Up to \$60 Per Day
- A Home Health Care Benefit is Included
- 2 and 3-Year Plans Available
- Equal Coverage for Your Spouse
- All B'nai B'rith Members Between the Ages of 50 and 79 May Apply (We enroll new members.)

Don't Be Confused!

Medicare and private supplements will not pay for your long-term health care costs. A one year's stay in a private nursing home can cost between \$20,000 and \$50,000, and there are no government programs to help you pay the bills.
