Ha Lailah BBW

The next program meeting will be held on Tuesday, Nov. 18, 8 p.m., at International House, 322 Hawthorne Lane, one block east of Presbyterian Hospital. An exciting and informative evening about India is planned. Come and experience Indian food, music and learn about the ancient and diverse culture of India. Also, learn about Charlotte's international resource and referral center, International House.

For more information call Trish Golembé, 366-7611.

Book Fair

Ha Lailah B'nai B'rith Women will be holding a Book Fair, Dec. 1-6, at the JCC. Books will be available for preschoolers through teens. Many will be award winners. We will also have assorted interest books for adults. The prices range from 49 cents to \$4.95. Each book is first quality and sold at the publisher's price.

This will be a terrific chance to purchase some early Chanukah presents and help support the important work that the Ha Lailah Chapter is doing.

For more information please call Marcia Stern, 366-0167.

Safety Awareness

The last week of September was Safety Week for the four-year-olds at Temple Israel Nursery School. Each child was given safety tips and learned about 911 as well as family names, phone numbers and addresses. Coloring sheets were used to teach the children some of these things. To end the week Jerome "Magic" Johnson came in to speak to them.

We would like to present the same program in your child's class. Please talk with their teachers and call Wendy Rosen at 364-0765 to set up an appointment.

Silks and Satins

On Oct. 21, at Wendy Rosen's house, Ha Lailah Chapter held a most unusual and exciting meeting that was attended by an "Undercover Agent." Sharon Strumwasser, representative for Undercover Wear Lingerie, brought the latest in lingerie for chapter members and guests to see, try on and buy.

We would like to thank Sharon for a provocative, fun-filled evening.

Charlotte Chapter B'nai B'rith Women

This year for Succoth the children from the Arosa House were the special guests of B'nai B'rith Women at the Sukkah at Temple Israel. There they were fed a meal, played games and were told the story of Succoth by members Joan Gordon, Linda Binnick and Shirlee Wadsworth.

through our 'New Eyes for the Needy' project. If you visit your optometrist or ophthalmologist please ask them for any eye glasses they have collected, or if you have any at home, please call Linda Goldberg, 362-7304.

Holiday Awareness

For the second year the

Chapter will be going into several of the malls and asking merchants to display Chanukah decorations in their windows alongside their Christmas decorations. This project was greatly received by the merchants last year, and we hope to double the number of stores this year.
