CHAI-LITES SENIOR ADULTS AT THE J

Chai members sharing Academy's Shabbat period with kindergarten children.

The Chai-Lites have been involved in a variety of programs and activities. In November, the monthly Luncheon Club met at The Chateau. Also, members of the group saw "Breakfast with Les and Bes" at the Little Theater of Charlotte. On Nov. 24, a pre-Thanksgiving lunch was cosponsored by the HaLailah Chapter BBW. These women provided traditional Thanksgiving dishes such as sweet potatoes, beans, rolls, cranberry sauce and desserts. The turkey was prepared by Phil's Deli. Everything was absolutely delicious!

The Chai members have been busy preparing book covers for the kindergarten and first-grade classes of the Hebrew Academy. In the Arts and Crafts class, art smocks were made for all the Hebrew

Academy students and were presented to them at a pre-Chanukah party sponsored by the Chai-Lites. Also the Chai-Lites have begun holding a brunch one Sunday a month, followed by a feature movie.

Beginning this month, Sy Hastings, President of the Charlotte-Mecklenburg Chapter of AARP, will lead a discussion group on current events every Monday. Also through the Presbyterian Hospital Speakers Bureau, health care professionals will speak to the group on a number of topics. A representative from BodyWorks will also continue to lead the group in non-stressful activities specifically designed for senior adults.

New members are always welcome. For additional information, call Jane Abel, Senior Adult Worker, 366-5007.

Senior Health Clinics To Be Held

Blood pressure and pulse will be tested and a urinalysis will be administered on this date. These clinics will meet four times each year on a scheduled basis. In April a glaucoma exam will be offered; in July hemoglobin and blood sugar checks. Flu vaccines will be given in October. Blood pressure and pulse will be tested during each of these

clinics. Clinical results will be immediately available to participants in addition to follow-up contacts if needed. There will be a \$5 charge for all of the clinics noted.

Community Health Services is a multi-function agency dedicated to the good health of people of Mecklenburg and Union counties through education and early disease detection.

MOTHER'S MORNING OUT

A child's early experiences form the base upon which all future intellectual, social and emotional developments grow. The purpose of the Jewish Community Center's Mother's Morning Out program is to provide a high quality first experience for the toddler. Within a warm, secure environment, staffed by professional caregivers, your child will encounter a range of experiences geared to differing interests and temperaments. Such a format will enhance the comprehensive development of the child by building self-esteem, encouraging social interactions and presenting a myriad of opportunities to learn through doing.

GENERAL INFORMATION:

The Mother's Morning Out program is open to current JCC members. In order to be eligible your child must be at least 9 months and not more than 24 months on October 16. Our program runs from September through the end of May. At time of registration we expect first and last month tuition plus a \$25 registration fee.

Thereafter payment is due on the first of each month. A late fee will be charged for payments received after the tenth.

Registration will be open for Fall 1987 on January 20. You must register in person or make arrangements with the program director - Amy Diamond.

This year we are offering a choice of programs. You may sign up for a 2 day, 3 day, or 5 day week schedule as follows:

2 day: Tuesday and Thursday \$ 55 per month
3 day: Monday, Wednesday, and Friday \$ 75 per month.
5 day: Monday through Friday \$120 per month.

All class sessions are 9 AM - 1 PM

Fee adjustments are available based on need. Please contact the center director for a confidential interview.

Please remember your child must be at least 9 months and no more than 24 months on October 16.

Could This Be For You?

It could be "A Night at the Races," a family picnic, a '50s Sock Hop, a Purim masked ball, a singles cocktail party, a Fourth of July circus - any kind of festive, imaginative social event that would add zest to our weekends at the J. If you're interested in a mini-part-time position with the "J", call Jackie Fishman, 366-5007.
