## Temple Israel Preschool Held "Bagels And Blocks" Program

The preschool had a wonderful turnout for its annual Bagels & Blocks program, held on Dec. 4. Fathers were invited to join their preschool children for a morning program which included a Shabbat program led by Rabbi Wilson and a bagel breakfast.

The parents then joined their children for activities in their classrooms. Together they played with toys, worked on creations made out of boxes, and made menorahs out of dough. The parents seemed to enjoy the morning's activities as much as their preschoolers.
