Complete Financial Management Seminar Offered

A unique seminar is offered that gives you answers, ideas and solutions to the questions today's investors are asking. You will receive a complete understanding in the five major areas of personal finance: insurance, investments, taxes, retirement and estate planning.

These seminars will be conducted by Robert V. Sytz, Jr., CPA, CFP, an executive vice-president for Carrol Financial Planning Associates, a diversified financial services firm based in Charlotte. Larry W. Carrol, president of Carrol Financial Planning, was named one of the best financial plan-

ners in the United States by *Money* magazine in their anniversary issue published in October 1987.

The hundreds of Charlotte residents who have enjoyed the workshops agree that ten hours of time is a small investment when compared with the potential rewards.

This series is being offered by CPCC at the 'J'. The fee is \$27; for adults 65 years or older it is \$5. One must be a resident of Mecklenburg county. Classes will meet on Jan. 19, Jan. 26, Feb. 2, Feb. 9 and Feb. 16, 7-9 p.m.
