

## Hibel Lithograph Presented as Gift to the Foundation

An Edna Hibel colored lithograph, "Jenifer and Children", has been presented to the Foundation by friends of Jill Newman in memory of her mother, Virginia Livingston. The artwork was personally selected by Jill who has been an admirer of Hibel's work for many years.

Edna Hibel's artwork is in many collections throughout the United States and the world. Mainly she depicts mothers and children from all cultures. Her works are in many media from oil paints to sculpture and porcelain art. She is also famous for her lithographs. There is a Hibel Museum in Palm Beach, Florida and a six-thousand member Edna Hibel Society.

The piece has been hung in the Adult Lounge. You may view it there and at the same time read about the artist in the brochure nearby.

The Foundation at Shalom Park is most appreciative to have been selected as the recipient of this noteworthy gift.

## Artists Needed for Shows At Shalom Park

Do you paint? Take photographs? If you've shown your work many times — or barely dreamed about it — now may be the time to do so. The Visual Arts Committee of the Foundation of the Charlotte Jewish Community, which is responsible for the building's collections and for the exhibits you see in the Speizman Galleries, is looking for local talent to exhibit during the 1988-89 year.

Any member of the JCC or contributor to the Foundation may request a show of two-dimensional work (there are no exhibition facilities for three-dimensional work at this time.)
