

**“God works miracles in all generations
even though we are not always aware of them.
Hanukkah especially is a feast of miracles.”**

—Isaac Bashevis Singer
“A Hanukkah Evening in My Parents’ House”

Some would call it the miracle of our generation:

With the help of UJA/Federation campaigns for 50 years, Israel's achievements add up to an impressive quantity of rescue, redemption and renewal.

- We've helped the absorption of nearly 1.8 million immigrants into Israeli society.
- We've assisted Israeli pioneers to establish 593 rural communities and more than 75 new settlements inside Israel's pre-1967 borders.
- We've given more than 240,000 children from around the world an opportunity for achievement and advancement through Youth Aliyah programs.
- We've started 2,200 social, economic and physical rehabilitation programs in 88 Project Renewal neighborhoods, 60 of them linked with Jewish communities in the United States. More than 300,000 Israelis have benefited from Project Renewal.

Help make the miracle happen in our time. Please pay your pledge today.
