

ORT

Crown City Chapter of Women's American ORT will hold its installation of officers. The chapter has over 100 members as it begins its second year. To attend, please call Peggy Rovman, 552-2010 or Ana Resnik, 846-4431.

June 1-3, Ana Resnik and Lorrie Klemons attended the Southeast District convention in Ft. Lauderdale. Crown City Chapter received the following awards: completion of all goals in membership and fundraising; the Community Service award for the Forum on Pro-Choice-Pro-Life (cosponsored with the JCC).

ORT has over 1,000 chapters across the U.S., being the vanguard of social and humanitarian action for over 60 years, building schools and training students in Jewish communities around the world. Special emphasis is being placed on this training for all Soviet and Ethiopian immigrants in the 120 schools in the ORT Israel Network, the ORT schools in New York, Los Angeles and Chicago.

THE FUTURE IS OURS®

FUTUREKIDS® is a fun-filled learning adventure. Our caring educators will teach your child in a small personalized group. In just one class per week, we guarantee that every child aged 3-13 will not only become computer friendly, but, over time, completely computer literate.

We've been acclaimed by thousands of parents and educators for classes which boost confidence, excite children and promote academic skills. No wonder we've become the world's largest computer school for young children.

Will your child share the future with us? To find out more, please call today to schedule a free introductory class.
