## We're Going To Israel Community Mission — May 16-28, 1993

To say a she'hechianu when arriving in Jerusalem, celebrating shabbat at the Kotel, visiting historic shrines, climbing Masada, floating in the Dead Sea, a dinner cruise on the Kinneret, strolling the cafes and shops of Tel Aviv, visiting the Diaspora Museum and culminating with a gala celebration on Shavuoth at Kibbutz Gaash is merely a glimpse of the community mission being planned. Mission Chair Nicki Levine indicated that many are now considering

the trip while the final details are being completed.

Several people have expressed interest in Pre-Mission trips to Europe while others are deciding to stay in Israel through the Memorial Day Weekend. However, the key is to share emotions of being in Israel with friends and neighbors.

If you would like more information and to be a part of this mission, please call the Federation office, 366-5007.

## Federation Announces Committee Chairs

Shelton Gorelick, president of Jewish Federation of Greater Charlotte, has announced the chairmen of all the committees as defined in the Governance Plan. Members of each Committee are appointed according to the Plan by the Temples, JCC and other Jewish organizations. While some of the committees are up and running, others are in various stages of development. Since each committee meets a specialized need, Shelton encouraged the organizations to be sure to make their appointments so that we can move into the new year in full swing.

## Community Services Board Formed

Bobbi Bernstein, chair, and Evelyn Berger, cochair, announced the formation of the Federation's Community Services Board. As defined by the Governance Plan for Shalom Park and the Jewish Federation, the Board is composed of 29 members representing the Temples, JCC, Jewish community organizations, Jewish Family Services and several other Federation committees; each organization is responsible to appoint its representative.

The Mission of the Community Services Board is to develop and coordinate community wide educational and cultural activities by creating a forum for community program planning. This will promote communication among all Jewish organizations and create Federation's link to the entire Jewish community.

With meetings tentatively set for the first Thursday of each month, **communication** is the key word in the committees'

plans. The forum will hopefully allow the community's organization to come together to discuss what is and what is not happening. Coordinating, supporting and encouraging each other is a way to help all reach their goals and offer the entire community what it needs to help it grow.

Bobbi and Evelyn are optimistic and encourage each organization to make this a high priority.

UJA National Chairman Joel D. Tauber, commenting on the meeting with the Prime Minister, said, "The results of this event demonstrate American Jewry's determination to unite with the people of Israel in the massive challenge of immigration and absorption.

"I believe that a window of opportunity has opened on many fronts," Tauber added, "and that we will soon see a steady rise in the numbers of Jews immigrating to Israel from the former USSR.
