

It Starts With You.

Federation is your investment in Jewish community. Today, federation-supported agencies introduce children, teenagers and adult of all ages to Jewish life, Jewish values and to Israel — by supporting birthright israel, early childhood programs, Jewish summer camps, delivering Jewish school books to Hebrew schools and day schools and providing scholarships, teacher training and inspiration. Federation starts with you. Give generously of your time and resources. To contribute to the 2002 Annual Campaign, please contact the Federation office at 704-944-6757.
