

# USY News

By Matt Titlebaum, TI-Y USY President

Shalom, ya'll. This year in USY is turning out to be a great one. But what makes Temple Israel USY so great? Perhaps it's the amazing board: Faran Dulberg, the Vice President of Membership, Halli Sigal, the Executive/Communications Vice President, Gabe Kaunitz, the

Israeli Affairs Vice President, Maureen McManus, the Religious/Education Vice President, and Jake Strunin, the Social Action Vice President, and well, yours truly. Each one of our board members brings something new and unique to the board. Whether it's their humor, programming ideas or reliability, I couldn't ask for a better group of people to work with.

USY is all about bringing

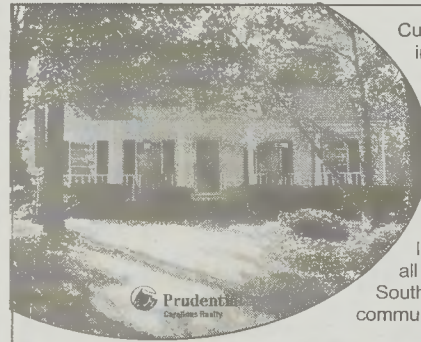

Jewish teenagers together in a group to celebrate their culture in a positive way. But, perhaps most importantly, USY is about forming strong friendships that can last throughout a lifetime. Our goal in TI-Y USY is bring the Jewish teenage community together to enjoy one another's company and realize how amazing we can be as one. I'm looking forward to a great year, and I wish you all the same. Until next time. ...☆

# Chai Chaverim BBG

September was a busy month for Chai Chaverim. We are just getting started and we have already had a couple of fundraisers. Our car wash went great and so did our bake sales. They were very successful and a big thanks

goes out to anyone who got their car washed or bought some yummy desserts. MIT/AIT, the convention for new members, was in September. It was splendid and everyone had such a fun experience. We have started planning for

our next convention, Winter Cultural. Our songwriters and choreographers are beginning their work on the chapter songs and dances that we will be performing that weekend. On behalf of Chai Chaverim, I can say we are all so excited and can't wait for that weekend to arrive. ☆

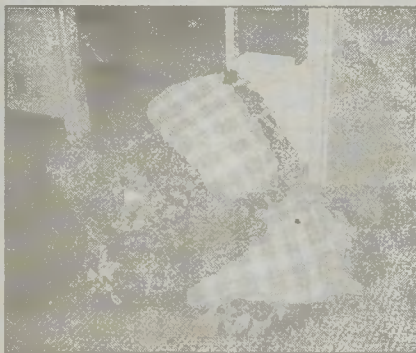

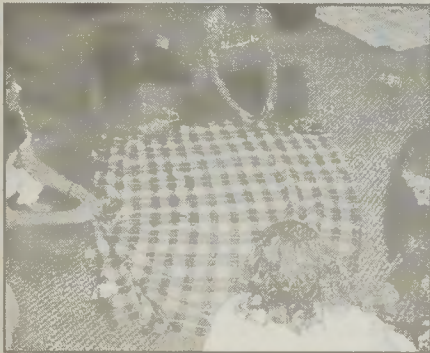

Cute house with inviting front porch and great curb appeal. Nice fenced yard, deck. Pretty white brick fireplace in living room. Ceiling fans in living room and all bedrooms. Great South Charlotte golf community!

# BBG Blankets for Harish Warm House

On October 11, Ohavim and Chai Chaverim BBG made blankets for the children of Harish in Israel. The blankets were made for a group of young children that spend their afternoons at a "warm house" in the Harish community. A "warm house" is a place that children come after-school where they receive a warm meal and a place to do their homework. The atmosphere in the warm house is positive and friendly. These children come from dysfunctional families and the warm house provides an environment that is stable and enriching. The blankets will be taken to Israel in November by the Charlotte Woman's Forum.

# Youth Group to Lead Services at Temple Beth El

On November 18, the 8 PM Friday night service in the Blumenthal Sanctuary will be led by our LIBERTY members. This wonderful service will embody the spirit and energy of our high school students, who have worked very hard to design an upbeat and highly spiritual worship experience for the congregation. The service will include certain melodies that our youth

Temple Beth El's Temple Youth Group, LIBERTY

groupers have learned in their camp and convention settings, and they are eager to share them with everyone. This service will also

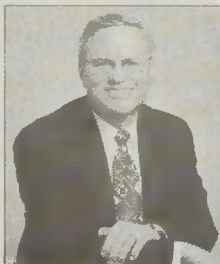

give you an insight into how our youth group combines social activity with Jewish values and ideals. ☆
