Volunteer Opportunities

Partnership 2000:

A unique volunteer opportunity exists within the Charlotte Jewish Federation for community members who are interested in developing and strengthening people-to-people relationships with Israelis. Partnership 2000 is about creating strong, meaningful and ongoing relationships between Israelis and Jews in the diaspora. The Charlotte-Hadera partnership is about initiating and supporting programs involving Israelis and Charlotte's Jewish community. These programs create bonds of friendship and understanding, linking groups by professional interest or affinity, and developing innovative methods of communication between the two communities. If you would like to get involved, please contact Sue Littauer, Campaign Director, by phone 704-944-6758 or email sue.littauer@jewishcharlotte.org.
