

Your child will probably graduate from college, get a masters degree or a doctorate.

And still be Jewishly illiterate.

The American Hebrew Academy offers an unparalleled state-of-the-art, co-educational and pluralistic Jewish boarding school environment that fosters academic achievement and strengthens personal development for students in grades nine through twelve.

Our esteemed faculty, two-thirds of whom hold advanced degrees, challenge our students to excel in a wide range of college preparatory, Advanced Placement and Jewish Studies courses. The Academy's rigorous academic program, combined with a brand new athletic center, natatorium and sports complex, provides an exceptional educational experience.

However, unlike most other schools, our students are each part of a nurturing community and graduate with values and leadership skills enriched by the culture, customs and history of the Jewish people.
