1915 Alexander Bell places first transcontinental phone call

1949 First phone to combine a ringer and a handset

1963 Touch-tone dialing is introduced

1973 First cell phone call is made

1980 First Super Sunday

The telephone has come a long way since Bell first spoke to Watson - yet most of the time we take it for granted. On Super Sunday, the telephone gets the respect it deserves. By answering the phone, you can change the lives of thousands of people in your own community, in Israel, and around the world. Your gift to Federation fights Jewish poverty, rescues and resettles Jewish immigrants, and strengthens Jewish life. Live generously.® It does a world of good.

ANSWER THE CALL ON SUNDAY, MARCH 11, 2007!
