

## Monthly Meetings for Women Pesach Cleaning Made Easy

It's that time of year again - but hopefully this year your Pesach cleaning will be a lot easier. Meechal Roizman's clear and simple guidelines will minimize the inevitable "Pesach dread" you may be feeling, and spells out what the essentials are that need to be cleaned in your home - and how thoroughly. This all-in-one

review combines bottom line Jewish law with great practical advice for eliminating many unnecessary tasks. Get to the Seder night in one piece this year - feeling good that you have accomplished your part of this mitzvah as it was intended.

On Thursday, March 20 at the Levine/Sklut Judaic Library and

Resource Center, Shalom Park at 10 AM. ☆
