You Can Donate to the LJCC for FREE!

You can now donate to the LJCC just by clicking your mouse. There is a new product called Good Search and it is free to use. Good Search is a special toolbar that functions with Google as a search engine. You simply download the free program for Internet Explorer and designate the LJCC as your charity of choice. Every time you use the search engine, the LJCC will earn \$0.01. Over the course of a year, all of those clicks could add up to a significant amount. Presently, all proceeds are being designated for the support of the Maccabi Games. But don't stop there! Keep using Good Search to give to the LJCC and make a difference!

How to Use Good Search:

1. Go to the Good Search site: www.goodsearch.com/toolbars.aspx
2. Choose the option "download now" for your web browser
3. Download the Good Search toolbar towards the bottom of the page and follow the instructions
4. The next time you launch your browser, you will see the Good Search toolbar. Enter Levine Jewish Community Center of Charlotte as the name of the organization you'd like to support
5. Use the toolbar as your search engine and earn money for the LJCC
